

## Pointer Fingers Rhyme

Two pointer fingers I can show  
(Hold up both index fingers.)  
Way up high, or way down low.  
With this one, I point to my toes.  
With this one, I show where to go (point  
ahead).

Two pointer fingers I can show  
(Hold up both index fingers.)  
To point to all the things I know!

(Teacher can ask children to point to parts of their body, or things in their surroundings. Trace outline of child's hand below.))
