

# AZTEC-X

---

AZTEC-X is a 6x5 cascading reel video slot set against an Aztec jungle backdrop. Join the adventurer as she ventures deep into the unknown jungles in search of huge wins.

The game features a new win mechanic where 8 or more of the same symbols stopping anywhere on the reels will award a win. The game has a high volatility.

Consecutive wins will cause the multiplier to increase, and this is then applied to the final win when no more wins occur.

The game also features our BUY Feature mechanic, where players can opt to buy a feature trigger and get straight into the action.

# BASE GAME USER CONTROL INFORMATION

Pressing the **SPIN** button will start the game round.

The **AUTOPLAY** button opens the **AUTOPLAY** menu.

When **TURBO** Mode is set, the icon blinks to indicate that **TURBO** is active. Up to 2 levels of **TURBO** can be set.

The **SETTINGS** button opens the **SETTINGS** menu.

The **BET** button provides amount options for betting.

# GAME RULES : BASE GAME

The game features a 6x5 cascading reel array. Whenever 8 or more of the same symbol stop anywhere on the reels, it will award a win. Those symbols will disappear and symbols will then fall from the top into the empty spaces. Consecutive wins will cause the multiplier to increase. The multiplier will then be applied to the final win when there are no more consecutive wins. On any given spin in the base game, or total win during the free game feature, there is a max win of 5000x the bet.

# GAME FEATURE : CHAIN BURST FEATURE

If a WILD symbol appears on a winning combination, the CHAIN BURST FEATURE will begin. During the CHAIN BURST FEATURE, x2 multiplier is added to the multiplier after each cascade win. The total multiplier is applied to the payout when there are no more cascading wins. There is a chance a special WILD symbol may also appear on the reels. If these appear on any winning payout, the multiplier displayed on that symbol will be added to the total multiplier.

# GAME FEATURE : FREE SPINS FEATURE

When 4, 5 or 6 SCATTERS appear in the base game, the FREE SPINS FEATURE will be triggered, and the player will be awarded with 10, 15 or 20 FREE SPINS respectively. During the FREE SPINS FEATURE, each time a SCATTER appears on the reels, the number of FREE SPINS remaining will increase by 1.

# GAME FEATURE : BUY FEATURE

At any time during the base game, the FREE SPINS FEATURE may be purchased. After confirming the purchase, 4 or more SCATTERS will appear on the reels. This guarantees at least 10 FREE SPINS.
