CERTIFICATION

Comes now, Edward Lewis Brown, your Declarant, being over the age of majority, competent to testify, and having firsthand knowledge of the subject matter, certifies/affirms the following to be true, correct, materially complete and not misleading to the best of my knowledge and belief.

1. Declarant is a living being. The flesh lives; the blood flows. I demand remedy as a living Man, and I require to be treated by all government agencies as a living Man, one of the free inhabitants on America.
2. I see no evidence that I have abdicated my status as one of the Posterity of the People of the United States by accepting the inferior position of a subservient public U.S. citizen, and I believe no such evidence exists.
3. Declarant answers to the Christian name of "Edward Lewis" and the sur name "Brown."
4. Declarant was born on the Land of America as a free inhabitant, a private, non-citizen national.
5. Declarant can find no evidence that the government is greater than its creators, or that the government has authority to regulate and control the People, or that any government agent, including judges, have the authority to make any determinations of Declarant's political status, and believe no such evidence exists.
6. Declarant is the sole owner of the artificial entity/estate known as "EDWARD LEWIS BROWN" or any other derivation thereof, such as "BROWN, EDWARD LEWIS," "Edward L. Brown," etc., and can find no evidence of the government's right to use said names, or to administer Declarant's estate, and believes no such evidence exists.
7. Declarant denies being the Trustee or Surety for said EDWARD LEWIS BROWN artificial entity, and believes no evidence exists to the contrary.

Declaration of Status page 1 of 3

8. Self determination is every man's right, and it is a political issue, not a judicial issue. The government must present proof it has **gained Political Jurisdiction** over me without violating the 13th Amendment; AND, the government must prove it acquired such proof before any underlying charges were lodged. The burden of proof is on the government, **NOT on me!**

9. The 13th Amendment's prohibition of involuntary servitude prevents any level of government of this Federation from declaring any person born here to be designated as being a citizen of the United States due to such birth, or to be in any way subject to any of the several levels of political government created on this land.

10. Declarant Notices: There are two classes of people in this country, the People and the citizens. All people are born free, but through deceitful and fraudulent indoctrination centers known as public schools, the people are falsely taught they are citizens, and are instructed they must do certain things, and comply with rules and regulation, and laws which are, by their very nature, voluntary, and by such compliance said people are converted from free People to citizen subjects. However, fraud vitiates all such agreements.

11. Declarant is unaware of any evidence that he/she is a party to any valid contract with any government agency or department which was entered into knowingly, willingly, voluntarily, with full disclosure, without trickery or deceit, wherein lawful consideration was received, both parties signed, both parties were equal parties to the contract, and which is a lawful contract under common law being backed by lawful specie, and believes no such evidence exists.

12. Declarant reserves his/her right to the common law, and further reserves his/her right not to be compelled to specifically perform to the terms of any unrevealed commercial agreement he did not enter into knowingly, willingly, voluntarily, and intentionally, with full disclosure of all rights being waived, and Declarant does not accept the liability associated with the compelled benefit of any unrevealed contract or commercial agreement.

13. Declarant notices that all codes define the "person" who is subject to the codes, and Declarant is unable to find even one state or federal code that names a Living Man as the "person" subject to the code.

14. Declarant has not knowingly, willingly, voluntarily, or intentionally waived ANY of my UN-A-LIEN-ABLE Natural God-given Rights and/or ANY of my Civil Rights as secured by the Constitution for the united states of America and the laws pursuant thereto, and have utterly NO intention of doing so in the future.

-Constitution for the united states of America-

"We the People of the united states, in order to form a more perfect union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the united states of America."

15. Declarant, Edward Lewis Brown, acting in the capacity as "Grantee" using the "Power of Acceptance" hereby ACCEPT from my forefathers this presentment/offer to contract and establish myself, as one of the Posterity, to be one of "We the People," a free Man living on the Land on America.

16. Declarant can find no evidence proving Declarant is subject to the legislature and/or congress created Statues Codes (the private copyrighted by-laws of the "UNITED STATES" corporation), or that Declarant can be made subject to any of the laws, rules and regulations created by said legislature or congress, and believes no such evidence exists.

17. Declarant notices government officials laugh at the ideas the People are not subject to government codes, rules and regulations.

18. Declarant, being a creation of Almighty God, is subject only to the laws of God. I serve God, not government, and I am instructed and required not to allow any other god to come before Him.

19. I adjure all government officials, agents and actors to cease and desist their impersonations of God.

"The only thing necessary for Evil to triumph is for good men/women to do nothing."
--Edmund Burke 1729-1797.

"We the People are the rightful masters of both Congress and the Courts, not to overthrow the Constitution, but to overthrow the men who prevert the Constitution."
--Abraham Lincoln--

Further, Declarant sayeth naught.

NOTICE TO RESPOND

Notice is given to any and all who may have evidence of rebuttal, to rebut this Declaration by Affidavit or Declaration of your own, sworn under penalty of perjury, within 10 days or be collaterally estopped from proceeding against Declarant. It is prima facie evidence that everybody stipulates to this Declaration if they do not rebut it. My fee for proceeding with any matter which would prejudice my Rights, in the absence of a rebuttal by sworn affidavit or declaration, with supporting evidence to the contrary, is \$10,000.00 per day, payable by the plaintiff and his attorney.

I tell the truth, but I will swear no oaths according to the laws of God. Executed nunc pro tunc to.
