**APOSTOLIC LETTER
ISSUED MOTU PROPRIO
OF THE SUPREME PONTIFF
FRANCIS**

**ON THE JURISDICTION OF JUDICIAL AUTHORITIES OF VATICAN CITY
STATE
IN CRIMINAL MATTERS**

In our times, the common good is increasingly threatened by transnational organized crime, the improper use of the markets and of the economy, as well as by terrorism.

It is therefore necessary for the international community to adopt adequate legal instruments to prevent and counter criminal activities, by promoting international judicial cooperation on criminal matters.

In ratifying numerous international conventions in these areas, and acting also on behalf of Vatican City State, the Holy See has constantly maintained that such agreements are effective means to prevent criminal activities that threaten human dignity, the common good and peace.

With a view to renewing the Apostolic See's commitment to cooperate to these ends, by means of this Apostolic Letter issued Motu Proprio, I establish that:

1. The competent Judicial Authorities of Vatican City State shall also exercise penal jurisdiction over:

a) crimes committed against the security, the fundamental interests or the patrimony of the Holy See;

b) crimes referred to:

- in Vatican City State Law No. VIII, of 11 July 2013, containing Supplementary Norms on

Criminal Law Matters;

- in Vatican City State Law No. IX, of 11 July 2013, containing Amendments to the Criminal Code and the Criminal Procedure Code;

when such crimes are committed by the persons referred to in paragraph 3 below, in the exercise of their functions;

c) any other crime whose prosecution is required by an international agreement ratified by the Holy See, if the perpetrator is physically present in the territory of Vatican City State and has not been extradited.

2. The crimes referred to in paragraph 1 are to be judged pursuant to the criminal law in force in Vatican City State at the time of their commission, without prejudice to the general principles of the legal system on the temporal application of criminal laws.

3. For the purposes of Vatican criminal law, the following persons are deemed "public officials":

a) members, officials and personnel of the various organs of the Roman Curia and of the Institutions connected to it.

b) papal legates and diplomatic personnel of the Holy See.

c) those persons who serve as representatives, managers or directors, as well as persons who even de facto manage or exercise control over the entities directly dependent on the Holy See and listed in the registry of canonical juridical persons kept by the Governorate of Vatican City State;

d) any other person holding an administrative or judicial mandate in the Holy See, permanent or temporary, paid or unpaid, irrespective of that person's seniority.

4. The jurisdiction referred to in paragraph 1 comprises also the administrative liability of juridical persons arising from crimes, as regulated by Vatican City State laws.

5. When the same matters are prosecuted in other States, the provisions in force in Vatican City State on concurrent jurisdiction shall apply.

6. The content of article 23 of Law No. CXIX of 21 November 1987, which approves the Judicial Order of Vatican City State remains in force.

This I decide and establish, anything to the contrary notwithstanding.

I establish that this Apostolic Letter issued Motu Proprio will be promulgated by its publication in L'Osservatore Romano, entering into force on **1 September 2013**.

Given in Rome, at the Apostolic Palace, on **11 July 2013**, the first of my Pontificate.

ARE YOU STILL SITTING UNDER THE UNITED STATES OR UNITED STATES OF AMERICA 501 (c) 3 VATICAN RELIGIOUS GENOCIDE DEATH CULT CRIMINAL EMPIRE? DID YOU KNOW THAT ALL "INCORPORATED ENTITIES" WERE CREATED BY THE ROMAN CURIA?

It is also up to you to realize from whence all these "incorporated entities" come— the Roman Curia. The Roman Curia created all corporations— trusts, transmitting utilities, foundations, cooperatives, you name it— if it is some form of "legal fiction entity"— it was created by "law" issued by the Roman Curia and by Maxim of Law, the Roman Curia remains responsible for what it creates.

This means that ALL of the corporations that are giving the living people grief are creatures created by and are the responsibility of the Roman Curia, without exception. This also means that the Pope holds the Kill Switch to liquidate these criminal and mindless and heartless and unaccountable monsters.

Rise and Shine! Rise and Shine! Rise and Shine! I'm up to my devilment again! Somebody's gonna hear me in a minute...

What Dr. Henderson and Team have done is freed this planet from Debt Slavery.....All people that would like to do commerce in the future must transition to the 501c4. This includes individuals, non-profits and Corporations.

HJR4405 Jubilee Bill- Sets all individuals and Nations to Net-Zero. This Resolution has been approved in Congress and currently being implemented.

HJR85 Master Sequester-Mandates how ALL funding shall be used by Congress. If you pay attention to the budgeting hearings on C-Span you will hear several Congressmen refer to restricted or lack of funding due to the Master Sequester. In layman's terms, they have NO CONTROL over how funds are used. It is not their FUNDS. They are working on borrowed funds granted by Dr. Henderson and NO MORE FUNDING will be provided to the US Corp for they are insolvent and remain in the defunct 501c3.

DO NOT rely on them to tell you any of this information. This is the same group of people who tell you the economy is recovering as multi-millions are unemployed and on food stamps. Protect your family and yourself....get on the redemption list...

Facebook removed the 1st picture of these missives, I wonder what they are afraid of?

THERE HAS NEVER BEEN A GOVERNMENT, COUNTRIES, MONEY, OR CONSTITUTIONS. ALL GOVERNMENTS AND COUNTRIES ARE FABRICATED FICTIONS CLEVERLY WOVEN INTO YOUR MIND. They are fictions accepted by you because you have been lied to and poisoned your entire life...

Everyone in the United States of America quasi government is in the final stages of being dismantled right now around the world by World Court Judge Hendo Henderson who put up \$875 Billion to free everyone on the Planet and give them all their land back, (i.e. birth certificates, homes, cars, body etc.) and the people purporting to be government are being held accountable for crimes against nature at last. This is global and world-wide taking place right now Internationally. I know it's a lot of information that people don't quite innerstand, however. Most Americans have not been studying American Law and Government like we all should have been doing and we would know a few things about the system the United States, the United States of America, the Vatican and the City of London has put in place unbeknownst to the people and that America as been under a coup de'etat for 523 years by the colonist. A lot of us can't decipher the Constitution for the united States of America 1787 which had been suspended and the United States Constitution replaced it unlawfully making everyone a slave, a US citizen and a subject under the Federal Reserve Banking system, enforced by the Military Industrial Complex of GENOCIDE. It's a bit much for people to innerstand that by signing up to vote and for the Military under the United States and the United States of America is a Treasonous act against America; because, the United States is a corporation and not a government. IT'S ALL OVER NOW! Dr. Hendo Henderson the new United Nations, World Court, AD HOC Judge has abolished the 501 (c) 3 Vatican, United States (the Federal Reserve), City of London and everything on the planet is now under the 501 (C) 4 Moorish Nation under the Melchizedec Trust Act of 1997 right now at <http://www.sovcpr.com> where you can come and sign up to be listed under the Bathsheba and Ester Trust and get your \$1 Billion to compensate you for the money that has been stolen from you for generations. All you have to do is send an email to shelleybolling@gmail.com with your name, address and telephone number along with your family members and children to be protected under the new Moorish Nation and asked to be added to the Bathsheba and Ester Trust database to redeem yourself and come under the protection of the Moorish Nation. So type into the SUBJECT: Please add me and my family to the Bathsheba and Ester Trust Database. The United States, Inc. has been canceled; but, is back up and running as the United States of America, FEDERAL RESERVE so you will need to sign up under the Moorish Nation to come out

from under all of that nonsense and be an American. So if you are still out here operating under the Uniform Commercial Codes otherwise known as the UCC, you are going to get yourself locked up. When you see foreign military on American streets they will be here to arrest the de facto government along with others who participate in crimes against America, stay out of their way, you have nothing to fear per the World Court Judge Hendo Henderson. Everything on the Planet Earth is being restored to Common Law, Ecclesiastical Law and International Law around the entire Planet at this time and so that means all of the De Facto Governments and Admiralty Jurisdiction and Criminal Lawlessness is being shut down and is moot. \$875 Billion dollars Dr. Henderson of the World Court paid for the freedom of all 7 Billion people in 2002 under the 501 (c) 4 World Melchizedec Trust. Please wake up. All one needs to do is place yourself under the Bathsheba and Ester Trust. All Business Owners who have a registered Corp, LLC or 501 (c) 3. The 501 (c) 3 administered by the IRS has been disbanded since 2002 but has been kept in operation by people paying into it ie: paying bills. HR 4405 set the world to ~0~ in 2008 and is in place to protect you known as Cut Cap and Balance. HRJ 85 is in place also. All 501 (c) 3 will have no monetary system very soon to move funds or do business. Please register and place yourself with the Bathsheba and Esther Trust (redemption) which is under the Melchizedek World Trust 501 (c) 4 to do any type of business. Please visit: www.sovcpr.com to register your business under the new 501 (c) 4 Trust. EVERYONE NEEDS TO GET ON THE BATHSHEBA AND ESTER TRUST DATABASE IN CASE OF A WAR OR NATURAL DISASTER AND YOU HAVE TO BE TAKEN INTO A FEMA CAMP, YOU WILL NEVER GET OUT OF THERE ALIVE UNLESS YOU ARE LISTED IN THE BATHSHEBA AND ESTER TRUST DATABASE SO SIGN UP OR DIE! GET THE FACTS! <http://bit.ly/1GxdLxu>

Here is a note whereas Pope Frances was forced and has issued a Motu Proprio [warrant] effective September 1, 2013 out for the arrest of all government officials all over the world; because, there has not been any government on the planet since the Federal Reserve banking system was put in place to enslave the people and everyone has been nothing but church workers working under the Vatican Curia. We are all free now at last. This is a wonderful time on the planet where everything on the planet is being restored to the Moorish Nation. <http://on.fb.me/1zAVHfX>

All Bar Association licenses are extinguished per Motu Proprio

There is not going to be any political parties 2016. Barack Obama is the last President and the Coup d'état of America by the US/USA is over. Everything has already been done to dismantle the United States/United States of America and both of these criminal organizations are moot. Every man, woman and child on Earth need to give thanks to Judge Hendo Henderson. Without his work we would be dead.

All military action around the world is us at the World Court, America is totally surrounded China on the Southern Boarder, Germany on the West Coast, Russia on the Northern Boarder, Japan on the East Coast, to be sure the cabal cannot leave and they are being surrounded around the world and arrested right now. The United States/United States of America is bankrupt and has no money to pay any military and they are all on our payroll now. I keep telling you that if you don't get on the 501 (c) 4 you are in danger of being charged with insurrection being under the 501 (c) 3 and taken into a FEMA Camp. The only way you can get out of a FEMA Camp is to be listed on the Bathsheba and Ester Trust under the 501 (c) 4 Moorish Nation; because, we will be the only people on the planet that can get you out, otherwise you will be subject the the gillotines they have in place for everyone who is still listed under the 501 (c) 3 Vatican Hell House Death Cult Cemetary. You see, these dirty rotten governments were supposed to setoff all of our debts based on the Bible; because, everything in America is prepaid based on the fact that the Egyptians left the Indigenous people all the gold in the world, which is why you see the pyramid on the back of the dollar bill along

with the falcon indicating a contract between the Egyptians [Moors/Muurs] and the United States and the United States of America. When Obama went into Indonesia shortly after he was inaugurated into office, he was wearing the Egyptian ring to stamp the bonds being held at all of the Federal Reserve Banks for all of the gold in the world and after he stamped the bonds to return all the gold in the world to the Indigenous people the Jews did not want to return the gold to the Indigenous people; because, they said we were only going to give them the gold back and were not going to set up the de jure government, however. The World Court issued Dr. Hendo I. L. Henderson who is now the AD HOC Judge at the World Court \$371 Billion to return to the Moors/Muurs at this time. The Ashkenazi Caucasians were created to guard the gold and run the government by the Egyptians and do not actually have a right to claim any of it unless they can prove they have the Moorish blood running in their viens. That is why we are requiring a DNA/RNA test at www.sovcpr.com to make sure everyone is truly a part of the human family.

Well it's been hunting season in America for the so-called black people since the Christopher Columbus Invasion and people have allowed it go on to this very day. Meanwhile, most Americans are still up in church on Sunday worshipping the father devil with no problem; because, their children are better than anyone else's children and their shyt does not stink and their nose is so high in the air as they unknowingly fuel the wars around the world; because, they are too lazy to study law and government to put a stop to some of these things going on around the planet until now. In fact, Americans have fought people like me all my life for telling the truth and fighting the fight; because, they are so scared they will loose their benefits of a Christian Education at the Skull and Bones Universities and Colleges to uphold the fraternity and sorority oaths before the Constitution for the united States of America and now the Jade Helm 15 Military Operation is here at last to lock their asses up hallelujah! Damned, Cursed, Consecrated Devils. America is totally surrounded China on the Southern Boarder, Germany on the West Coast, Russia on the Northern Boarder, Japan on the East Coast, to be sure the cabal cannot leave and they are being arrested right now. Pope Francis Calls For 'Legitimate Redistribution' Of Wealth To The Poor being forced by World Court Judge Henderson <http://t.co/tnVN61ucqp>

What is the 501c4 or Melchizedek Trust: It is an Asset Back Trust whose purpose is the reset the entire planet economically. That means every man, woman and child has been released from the current slavery debt system of the current 501c3. It is also known as the year of Jubilee. You will find this terms in biblical form and you will hear the Pope speak on it. What the Pope is not saying is the Jubilee is for the People. It also means that the US Corporation and all government entities has been foreclosed on and those entities are insolvent or broke along with ALL Banks.....

Again under the 501c4 system all debts and illegal de facto Corporations masked as Governments have been foreclosed on. That means the current 501c3 which is Vatican controlled has been foreclosed on as well. (That's really what the Pope is saying when he continuously speaks on the Jubilee. He is talking in code). Any business, corporation, non-profit or Nation wanting to do commerce must sign up under the new 501c4 Trust. That's what the new BRICS (Brazil, Russia, India, China, South Africa) and AIIB (Asian International Investment Banking) systems are about. All Nations with the exception of the US and Japan have signed up to these systems.
