- You're mother says hello, Sandy. She wanted to tell me she loves you very much and hopes you are well.

- It is a great place this clinic! The nice rooms, the big garden.
- Who cares if it is fenced in! That is for your own good you know, Sandy.

- Your mother is anxious to know how your treatment is going.
- Have your anxiety attacks subsided? That's good!
- And you no longer feel rage against your parents? No? I am sure your mother will be glad to hear that.

- Could you turn around, so I can see your nice ass? It is looking great, Sandy! And your skin has become soft as silk, I see. Dr. Mendelson is a miracle worker isn't she?
- No, no, no! I really think you are beautiful! Really!

- Pull up your dress, will you?
- You are so sexy!
- And you move so gracefully! That must be the ballet lessons, I guess.

- I don't have to tell you that your mother was devastated when you started disobeying her and were hanging out with those hooligans.
- You knew that she hated bullies like that, and still you insisted!

- I still find it hard to believe you could do that to her, considering all the things she has done for you!
- Please show me your tits, darling!

- Oh, they are coming around beautifully! Look at those puffy nipples! I guess they must have become very sensitive by now?
- You continue to take your pills, don't you? OK, I am glad to hear that. You will have a C cup by the time this is over.

- Take off your dress will you? I need to take a few photos to show your mother. She is paying a lot for this therapy, and want to see how you are progressing.
- Yeah! That's great. Hold that pose for a sec, will you?

- Pull down your panties will you? I can't tell you how glad I am that you are no longer resisting wearing panties.

- I can see your clit is still shrinking, Sandy. That is good. We cannot have you running around sticking it into other girl's pussies, can we?
- You knew that, didn't you? And still you insisted on fucking that tart Blanca!

- Tell me, Sandy, do you ever dream about fucking girls anymore? No?
- And you are listening to your subliminal reconditioning tapes every night?
- You are cold? By all means, put on your dress on again! I need to examine you now.

- Listen to me Sandy.
No, concentrate! This is important.
- Do you dream about boys now? Your mother wants to know.
- She will forever be the only woman in your life, you know, but she wants you to find your proper place in life.

- You do dream about boys, don't you? Well, do you like me? I can see that you do.
- Well, your mother has told me to prepare you for full womanhood.
- I like your lips, beautiful! You don't mind if I taste them, do you?

- Sweet, sweet Sandy! You will make your husband very happy.

- How does it feel when I lick your nipples, Sandy? Do you like it?

- How is your anal sensitivity training going? The doctor told me you are wearing you buttplug daily now. You have moved up one size as well, she says.
- You understand that we need to make your rear pussy a little bit more flexible, don't you?

- Hm, your clit is far too big, I am afraid, but I am glad to see that it is flaccid. You are a girl now, and your mother wants you to be the submissive one in all things in life.

- Your old dick is of no importance anymore! It is just a symbol for your old stubborn, self-righteous self.
- You are to worship the penises of real men now. You like that, don't you?

- You are a sexy girl, Sandy. My dick doesn't lie.
- Please, show me what you have learned in Phallic 101!

- Ooooooh yessss, I can... see.. ouch .. that .. all that dildo training has payed ... (Gently, girl!).. off.

- I have you ever been fucked in your ass, Sandy? No, I guess not. You never dreamed about being filled up with cock, did you?

- What did you say? You want me to fill you up? You have to ask for it, so that I believe that you have become the woman your mother asked for! You want it? OK...

- Oh, that feels good, doesn't it? Being filled up with rock hard maleness. Oh, that was a deep sigh! That was the sound of deep longing!

- You want me to fuck you harder.
- I'd love to, baby!

- Spread your legs, Sandy. Spread your legs and let me in!

- I look forward to telling your mother about this, Sandy! She has so high expectations of you.
- She has already found a husband for you. You remember Ralph Swindon, don't you?

- You don't like him?!
Hm, we have to tell your therapist to do something about that.
- By the time you leave this place, you will worship the ground he stands on.
- Really, Sandy. You should be grateful to Ralph, given your past!

- Oh God, i can't holdback anymore. Aaaaah, that felt good!
- I love seing your tits covered in cum!

- No, of course not! I won't tell your mother about what you said about Ralph.
- But this must be your last secret. Your mother wants you to be her best friend, you know, like you were when your were a kid.

- I must admit, Sandy, that i am surprised at what your mother has managed to do with you. When we were kids, you were the toughest kid on the block, and now you have become this submissive sissy. I will definitely be very careful not to piss your mother off in any way!

- What do you say?
You want more?
- Of course! Just
give me a
minute...
