RE: Sovereign ©Skwxwú7mesh-Squamish™ Nation Government (SSNG) on Sovereign ©Skwxwú7mesh-Squamish™ No Treaty Lands

We hereby Notice you and your council members of the following;

1.0 The Olympic Housing Condo sales are performed on Sovereign ©Skwxwú7mesh-Squamish™ Nation Government (SSNG) controlled lands and resources by Siyam (C)Kiapilanoq-CAPILANO(TM) and his hereditary members. We would like you and your council members to stop lying and committing corporate fraud to the people living on said lands.

2.0 The BC Government dished out five year budgets to local municipalities is fraud as the Corporation / de facto BC and CANADA governments in any style of cause is performing a violation of S. 219 CCC - criminal negligence and "*Extortion ... was a misdemeanor at common law*. Extortion is defined to be in a large sense, any oppression under colour of right. In a strict sense, the taking of money by any officer by colour of his office, either where none at all is due or not so much is due, or where it is not yet due".

2.1 De facto BC and CANADA liability was reported to the SEC, ICJ, UN, INTERPOL and World Bank pursuant to Common law jurisdiction governed by Sovereign ©Skwxwú7mesh-Squamish™ longhouse traditional legislation in August, 2010 when Michael De Jong confiscated Siyam (C)Kiapilanoq-CAPILANO(TM) government vehicle through the RCMP. Our SSN Government vehicle impoundment is costing the de facto BC government a fine of \$21T hard lawful currency in debt per day.

3.0 The debt held by the living man and Beneficiary Tax Master, Jacob Rothschild who operates the corporate name of THE HOUSE OF THE ROTHSCHILD is notified of the forfeiture of the security and equity of the Bonds held in a fiduciary trust account by the Bank of Canada over the Public Agents Corporate Names. The recent submitted debt is set at \$21,215,082T with \$21T daily earnings for failure to settle pursuant to the Bills of Exchange Act. Dished out operating budgets and fancy public brochures given to educate the sleepy public on how their tax dollars are spent is an insult to the human intelligence. Financial transparency information submitted by de facto Public Agents is fraud because everyone knows that the municipal governments operate with 2 sets of books, one that contains the lying numbered ledgers to inform the people and another that hides the annual profit bonus 'pats' to benefit the Named 'beneficiaries' behind secret closed doors of the procurement office. We remind this Council that fraud is a criminal charge that has no time limitation and is recognized in all jurisdictions.

4.0 Your position to show me the "money" to Mr. Rennie and his associates by placing his company into Receivership is inappropriate and disrespectful, as no one has a right to issue debts against anyone until your own financial obligations and liabilities are settled with the SSNG members. All debts are secured by registered liens and fully reported to the SEC who is under a legal obligation to perform pursuant to S. 337

of the CCC.

5.0 Furthermore, Mayor Robertson is described as an acolyte of global green plutocrats - VanCourier, Dec 1, 2010. We would like to inform the Mayor that his Rockefeller or Soros names associates who operate by 'tax exempt, no profit' charities controlled by KPGM (world's largest tax shelter) created by New World Order agendas to depopulate humanity are now charged as follows;

December 3, 2010 - WHITE HAT REPORT: A PEOPLE'S CALL TO ARMS

The first "White Hat Report" sent out three weeks ago had the desired effect: picked up by the DC crowd, world leaders and translated into over ten languages across the globe.

The internet is the last bastion of free speech and truthful reporting; the mainstream media has had this story for months and refused to release it. We, the White Hats, will continue to release evidence until the entire world is aware of the corruption in the U.S.A. and beyond. Former presidents, cabinet members, congressmen--the corruption penetrates deep into the bowels of our global society and culture.

The theft of the Bank of Taiwan wire transfer and the theft of funds from Ed Falcone, a U.S. citizen, are only two examples of the corrupt worldwide banking system; we have evidence of more. This fraud is estimated to be in the hundreds of trillions of dollars, all of which implicate the following top-ranking DC leaders:

- * President Barack Obama*
- * Vice President Joe Biden*
- * Former President George Bush Sr.*
- * Former President George Bush Jr.*
- * Former First Lady Barbara Bush (Pierce)*
- * Former President Bill Clinton*
- * Secretary of State Hillary Clinton*
- * Former Federal Reserve Chairman Alan Greenspan*
- * Former Secretary of State Henry Kissinger*
- * International Financier George Soros*
- * Former Secretary of the Treasury Henry Paulsen*
- * Former Vice President Dick Cheney*
- * Former Federal Reserve Chairman Paul Volcker*
- * Secretary of the Treasury Tim Geithner*
- * Former Governor of Massachusetts Mitt Romney*
- * Federal Reserve Chairman Ben Bernanke*
- * Former WH Chief of Staff Rahm Emanuel*
- * Deutsche Bank's Chief Executive Officer and Chairman of the Group Executive Committee Josef Ackermann*

We are in the process of confiscating funds (a total of \$500 trillion) from bank accounts all over the world in the control of George Bush Sr. His wife, nee Barbara Pierce, is also part of the fraud; her family, the Pierces who are one of the largest trading groups in France, have assisted in the theft of funds via worldwide trading programs. Who wears the White Hat? We are a group of people who have been brought together to assist in the worlds awakening by reporting truth and exposing our fraudulent corporate government. We bring forth information that the main stream media (msm) refuses to report and our news comes from high level and "inside" intelligent sources. CONTACT US: TheDarkCabal@gmail.com

The SSNG members support the White Hat endeavors to reveal the truth and are tired of the continued

fraud and Trespass against humanity by fraudclosures through trumped up 'tax assessments' and the theft of natural resources from the hereditary sovereign originals; historical correction - not ab-originals or Indians! - a historical faux pas deliberately created by 2 Europeans, Columbus and Vancouver who thought that they had landed in India.

6.0 SQUAMISH BAND COUNCIL MEMBERS: We have no allegiance to the Squamish Band Council Members (SBCM) who act pursuant to controlled 'white papers' created by the law firm, RATCLIFF & Co et al for INAC Minister John Duncan and enter into fraudulent contracts by pretending to be a 'hereditary'. The lie is revealed by blacked out information on their Name records at the Department of Vital Statistics, controlled by the INAC ministry. We have no idea who these people are, as they continue with the genocide in selling our children to feed the pedophiles at \$500 per child per night. We have reported these named individuals directly to INTERPOL for an ongoing anti-corruption investigation since 2008 and in the meantime, document all our reports to the UN Assembly through a foreign affairs diplomat.

7.0 There is no tolerance for racial discrimination and we emphasize that our de jure Sovereign ©Skwxwú7mesh-Squamish™ Government (SSG) members do not support political or religious agendas therefor, we are not interested in political votes or religious 'donations'.

8.0 We seek for meetings with you and your council pursuant to S. 337 of the Canada Criminal Code Act.

9.0 Equitable Remedy by Estoppel: We inform you that silence to this email within a 3 day time limitation will deem our right to lay a debt against you, your members and your corporations for an obstruction of justice to World Peace. This debt will be issued with a full reporting to Her Majesty the Queen of your Treason against her, as she has provided us with full recognition for our sovereignty. Our information meeting is an education process, be fully taped by witnesses and presented with no interruptions of any type. BCC service of this email is extended to 2,500 + researchers and private media supporters. Failure to perform will also deem our right to report this Noticed information on the Internet and Interpol Secretary General Mr. Noble. SSNG Hereditary associates receiving a blind copy of this email are invited to join us at this scheduled meeting..

We will provide a copy of the Queen's letter, the issued November 2010 debt against the de facto BC and CANADA government Public Agents and/or a copy of documents of the theft of the Bank of Taiwan wire transfer upon request at the meeting and we look forward your response.

Hiyshka/thank you,
