SEXUALLY EXPLICIT! FOR ADULTS 18+ ONLY!

-Gawd, were did you get this game Bob? It is smoking hot!

- I got it from that strange magic shop down at the mall, Billy. The man said that if we reached the 12th level we would be changed into some of the main characters!

-You mean we would look like those grown up male porn stars? Awesome. Make her tits bigger man, make 'em bigger!

- That worked. 1000 extra points. We should be reaching level 12 about...

...now! What the fuck? I have tits, man! The game has changed me into a girl!

-I kindalike'em. You look exactly like that black girl in the game, Bob!

- Woowooow! This is so weird, dude. They are so soft and heavy. I have never touched a girl's breasts before...

- They are so sensitive. This is fun!
- I think mine are bigger than yours, Bob...
- No they are not!
- Let's go and tell Tod, your father's friend. He didn't believe us when we told him we had a magical game.

-Hey, Tod. Look at us! We reached level 12 in the game and it changed us into sexy porn stars!

- Bob? Billy? That can't be you!

- Oh it is us, all right. Remember I caught you kissing mum? Only I would know that!

- Now, let us not go into that, shall we. My God, you are both beautiful and sexy. How does it feel?

- It is awesome, man, and I feel so tingly!  
The game was full of people fucking and stuff  
and now I am all hot and sweaty!

-Well, if you are girls now I guess you have girly feelings, right.

- Are you getting a hard-on Tod? Woow, it is pretty big, isn't it?

- Why don't you two take a look?
- Billy? What do you think, dude. That's kind of gross, eh? We like girls, don't we?

- Of course, Billy. I am not gay, but we could just take a little peak, heh? Just to compare with our own.
- How are we going to do that. My dick is gone!

-Boy, it is three times as large as mine, Bob!  
- I am getting wet down there, Billy, why is that?  
- That's because you two girls are two horny sluts, I guess. Just like the girls in the game, yeah?

-No one will know, girls. If you want to touch it, just go ahead. You are both 18, right?

- Yeah, but... Ok, just a little touch...

- Fucking aye! How do girls have room for that?

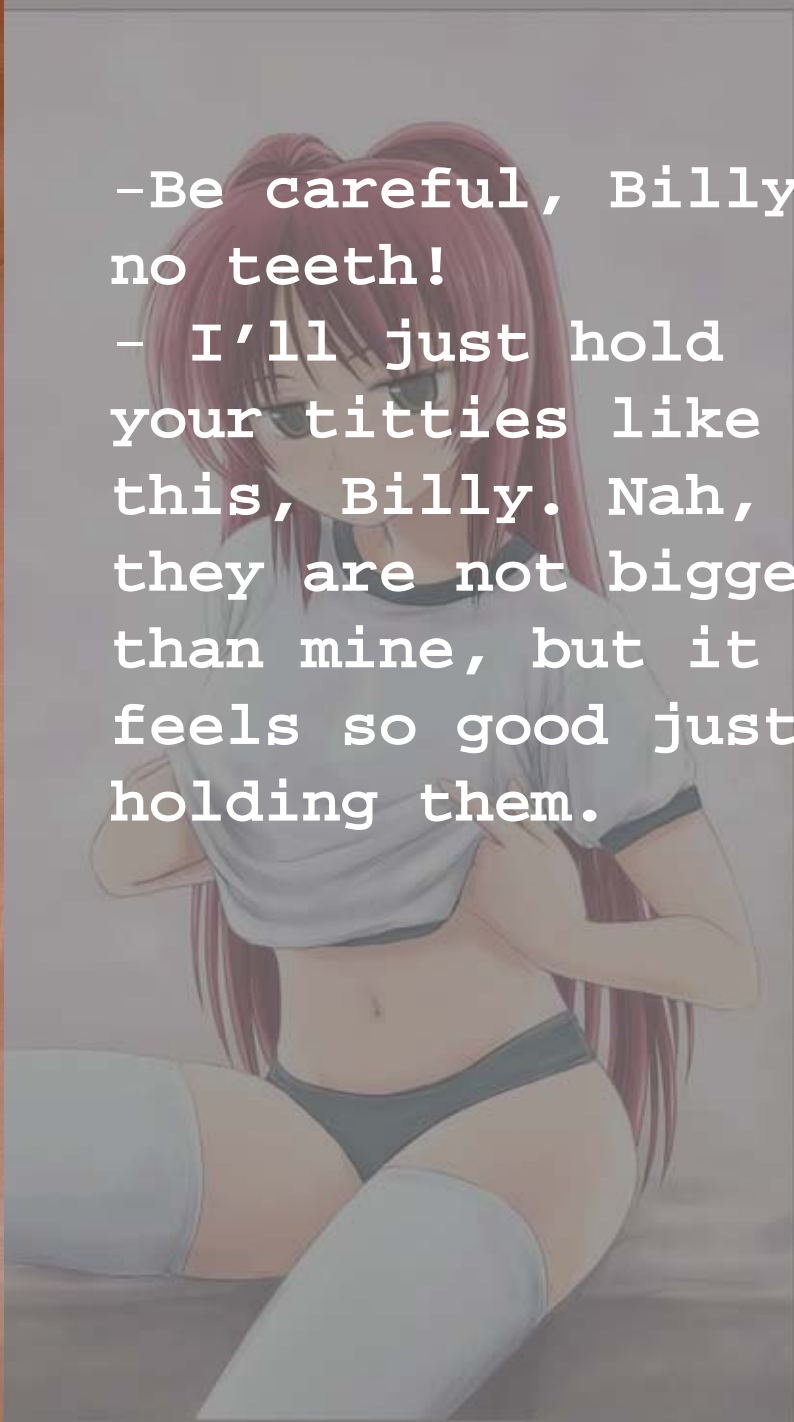

-Bob, I feel so strange. It is like just have to taste it, you know.  
- It must be the magic, Billy. Do it!

-Be careful, Billy,  
no teeth!

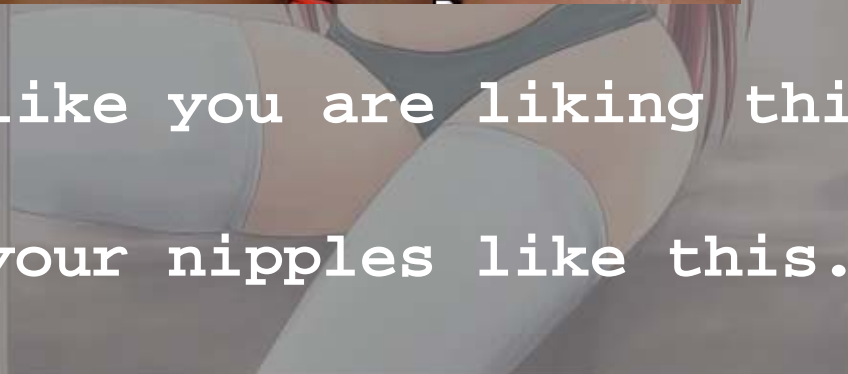

- I'll just hold  
your titties like  
this, Billy. Nah,  
they are not bigger  
than mine, but it  
feels so good just  
holding them.

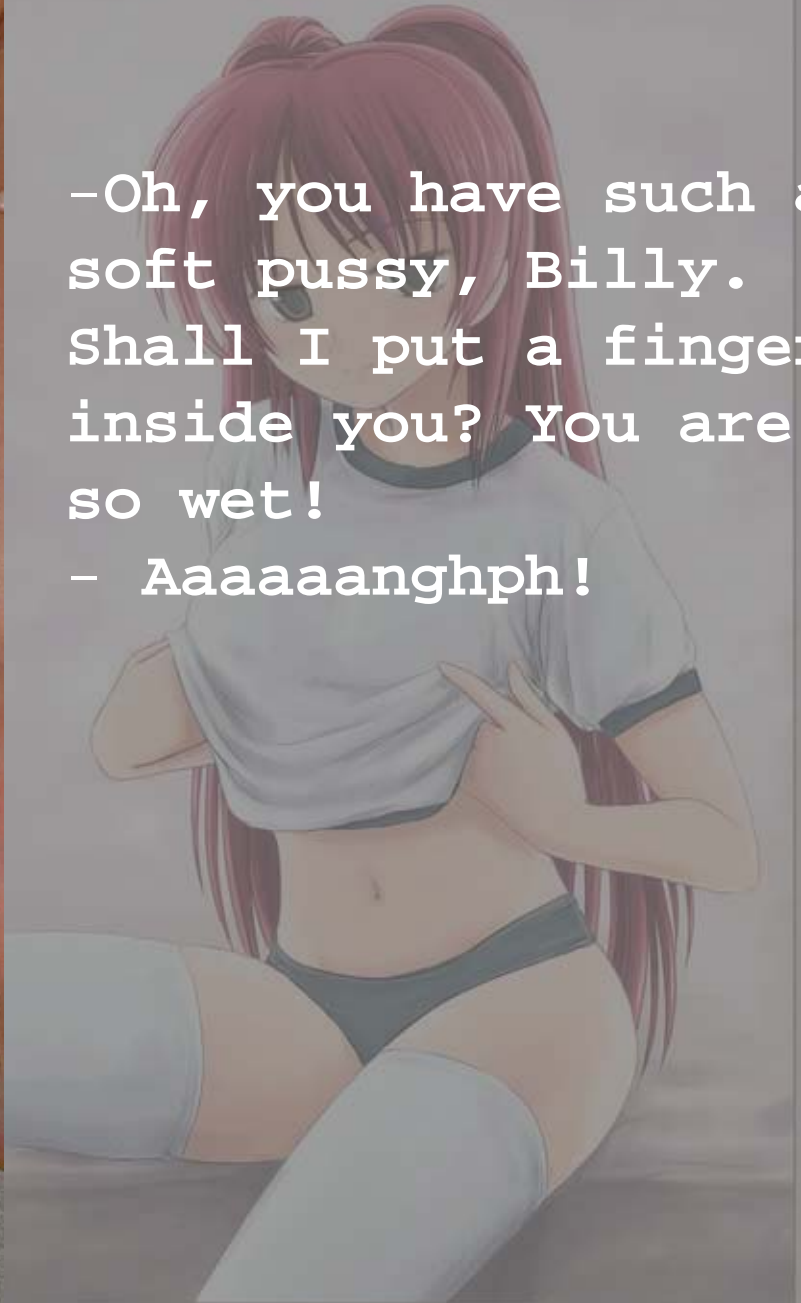

- Billy, it sounds like you are liking this.
- Ounghmph...
- I'll just fondle your nipples like this.

-Oh, you have such a soft pussy, Billy. Shall I put a finger inside you? You are so wet!

- Aaaaaanghph!

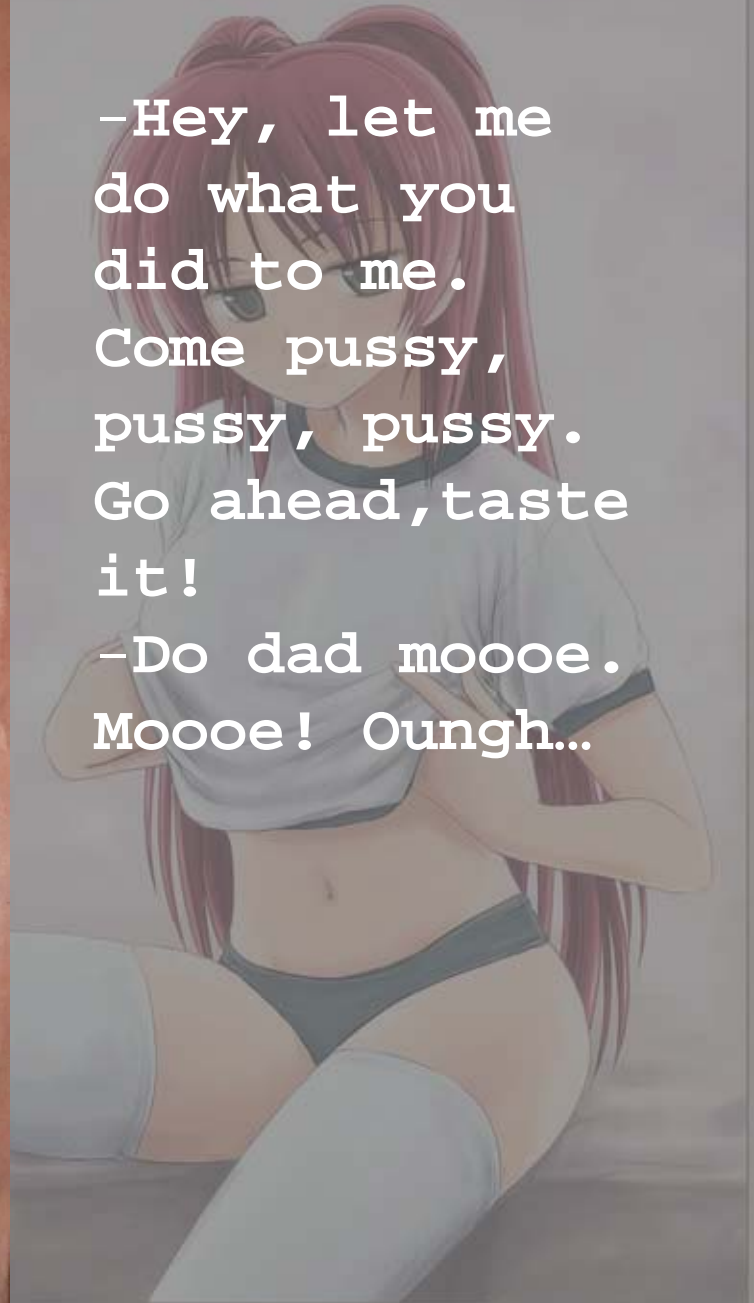

-It feels so good, Bob, I think I have had my first female orgasm! You try it...  
- Yeeck. That's so gross!

-Hey, let me  
do what you  
did to me.  
Come pussy,  
pussy, pussy.  
Go ahead, taste  
it!

-Do dad moooe.  
Moooe! Oungh...

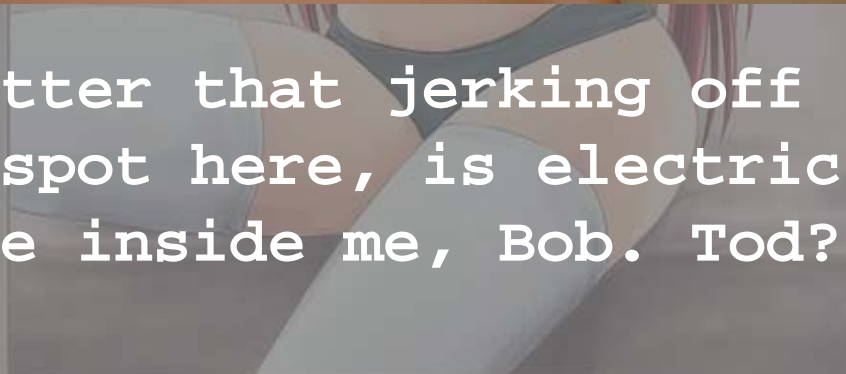

- Oh, I like being a girl, Bob. And I like you...

- This is so much better than jerking off as a boy, Bob. This spot here, is electric. I want something more inside me, Bob. Tod?

- I can help you with that, Billy. Spread your legs for me, will you?
- I dunno. This is a bit scary...
- Fuck him, Tod, fuck his pussy!

- Woow, ohmigawd, ohfuckingoh, that's... so...  
fucking... good...

-Yeah, touch my clit, Bob, faster! I am coming, I am coming, I am coming!  
- My turn! It is my turn now!

- Fuck me Tod, fuck me!

- I just love being a girl. Harder!

- I just love your tits, Bob!

- Yeeha!

- Look at my tits! They are wobbling up and down. That' so cool!

-This is so much better than that ride at Disneyland.  
- Billy, when do you think the spell will end?

- I dunno. The guy in the store, didn't say.
- Maybe we can ask him.
- Girls, I hate to break this to you. But there is no magic store at the mall...
