GAME RULES : BASE GAME

The reels are a 3x3 array similar to Hawaiian Dream. When three red 7 symbols appear on the reels, the Hibiscus Rush feature will be triggered.

GAME FEATURE : HIBISCUS CHANCE (FREE SPINS)

8 FREE SPINS. The Hibiscus Chance (FREE SPINS) is triggered when 3 blue 7 SCATTER symbols land on the reels on a winning payline, or after 3 consecutive respins in the base game. If the feature is retriggered 3 times, the SUPER Hibiscus Rush (FREE SPINS) or GOLDEN Hibiscus Rush (FREE SPINS) will be triggered.

GAME FEATURE : SUPER HIBISCUS CHANCE (FREE SPINS)

8 FREE SPINS. The SUPER Hibiscus Chance (FREE SPINS) is triggered when 3 red 7 SCATTER symbols land on the reels on a winning payline, or after 3 retriggers during the Hibiscus Chance (FREE SPINS) feature. Each time the feature is retriggered, the multiplier will increase by x1, and will persist until the end of the feature. The multiplier will multiply each game's win by the current multiplier value.

GAME FEATURE : GOLDEN HIBISCUS CHANCE (FREE SPINS)

8 FREE SPINS. The GOLDEN Hibiscus Chance (FREE SPINS) is triggered when 3 gold SCATTER symbols land on the reels on a winning payline, or after 3 retriggers during the Hibiscus Chance (FREE SPINS) feature. Each time the feature is retriggered, the multiplier will increase by x1, and will persist until the end of the feature. The multiplier will multiply each game's win by the current multiplier value.

GAME FEATURE : MAX WIN

The maximum win possible per bet is x10000. Any time a win reaches this limit, such as during the FREE SPINS, the spin and feature will conclude and the win is awarded.

Game Sheet

GAME FEATURE : RESPINS

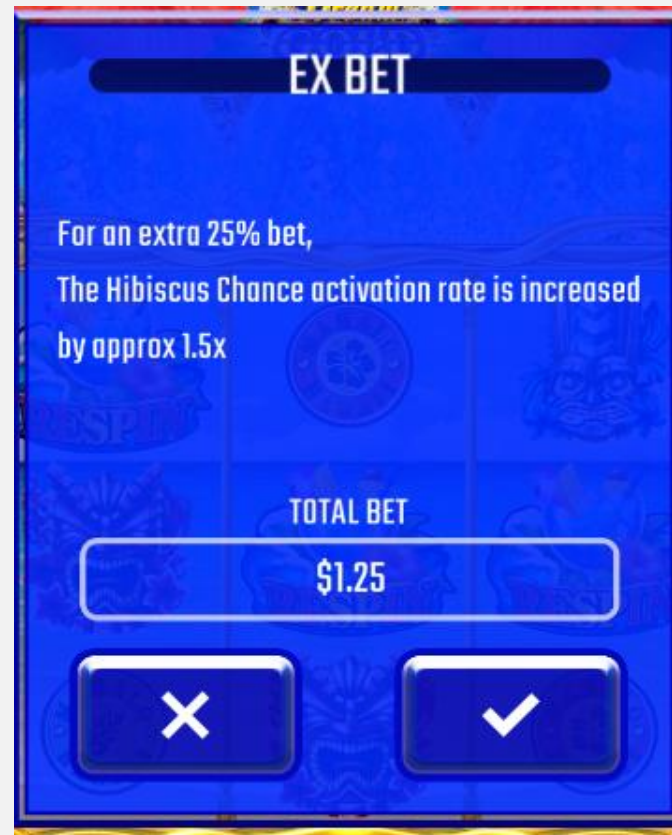

Reels will respin once when three RESPIN symbols stop on a payline. The color of the background changes every time the reels respin consecutively. The chance to trigger the FREE SPINS (Hibiscus Chance, SUPER Hibiscus Rush or GOLDEN Hibiscus Rush) become higher depending on the color, increasing from green to purple and then red.

FREE SPINS are automatically triggered when 3 RESPIN symbols stop on a payline 3 consecutive times. In some cases, an additional spin will be played after the 3rd respin instead of triggering the FREE SPINS, and if 3 RESPIN symbols stop on a payline on that spin, the GOLDEN Hibiscus Rush (FREE SPINS) will be triggered.

GAME FEATURE : EX BET (ante-bet feature)

EX BET (ante bet) can be activated by pressing the EX BET button on the main game screen. When EX BET is activated you will stake 25% more per bet, and will get a 1.5x higher chance of SCATTER symbols appearing on the reels during any spin. EX BET can be disabled any time by pressing the EX BET button once more.
