## Downtown Neighborhood Election

**4 Votes.** There are four seats up for election to the DMNA Board of Directors. This means if you live or work Downtown **you have 4 votes**, one for each seat.

These four Mill District residents, all extraordinarily engaged at the neighborhood level, will serve the Mill District/Downtown East area well:

- ✓ Chad DiDonato
- ✓ Laurie Jones
- ✓ Claudia Kittock
- ✓ Peter Zenner

Currently, and in the recent past, the Mill District/Downtown East neighborhood has been under-represented on the DMNA Board, which represents all of Downtown Minneapolis. Not intentionally, but just the way it's worked out.

**Make Sure We Have a Seat at the Table.** From redevelopment of the area surrounding the new Vikings Stadium, to the creation of a new Central Riverfront Master Plan, and the infill development already planned, you can ensure our neighborhood has a seat at the table. **Write Them Down, Use All Four Votes!**
