

CHRISTMAS ORNAMENTS COUNTING

0-20

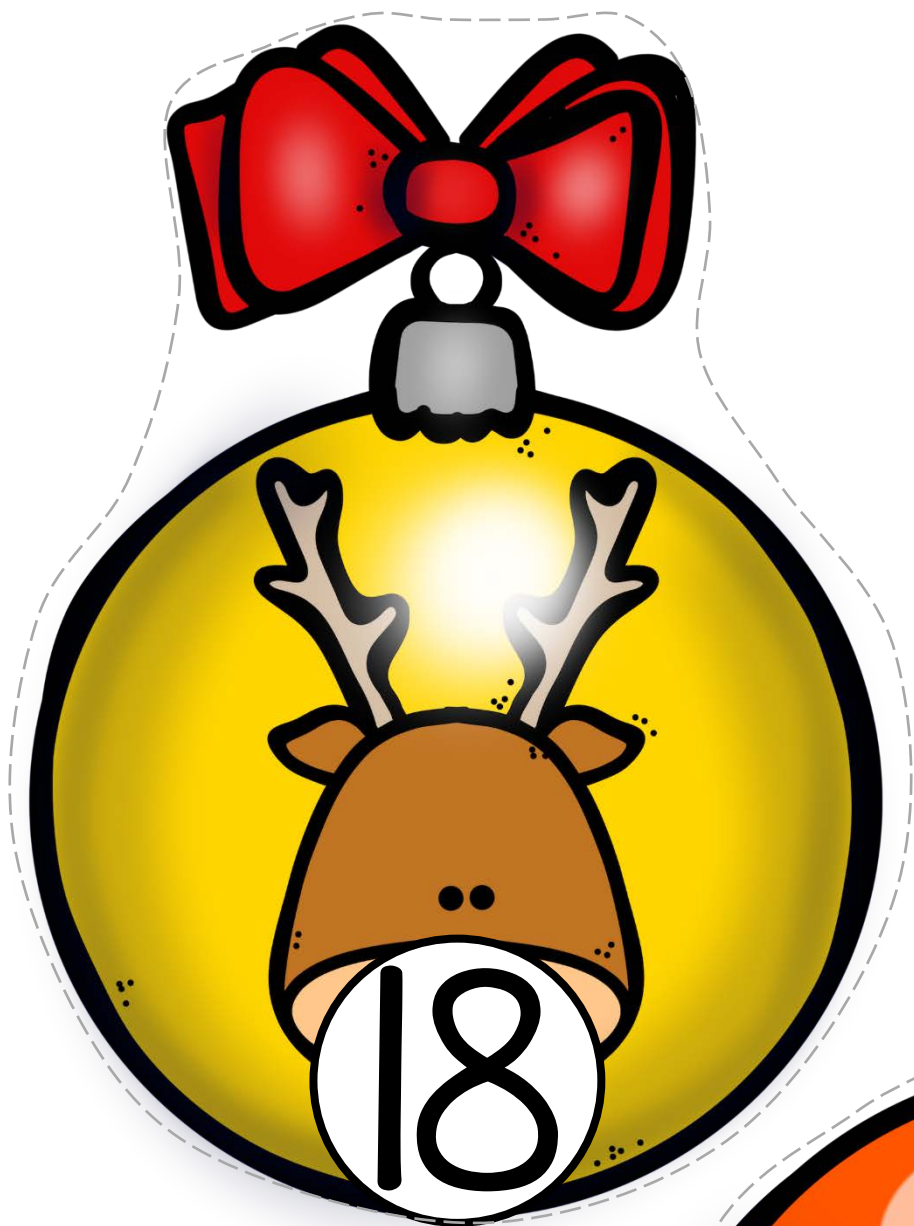

This is a set of Christmas ornaments, numbered 0-20, to use for early learners - preschool, pre-K and Kindergarten. Large pieces for little hands.

Print pages on cardstock, laminate for longer use, cut out ornaments. Use for number sequencing, number matching (print 2 copies), missing numbers activity. Tape on a large Christmas tree shape; pin with clothes pins in sequence on a clothesline or yarn; - make up your own games to suit your teaching goals.

I add FREE items often. Follow on TpT and Pinterest to get them as soon as they are listed.
