- “What? It’s me, Andy. Yeah, I know. My voice sounds so strange because my boss turned me into a woman. It’s a kind of punishment. I lost the Kingston contract.... Yeah, bummer!”

- “No, he has promised to turn me back again tomorrow... Nah, it’s not too bad, but the heels are killing me! Ah, the boss is coming. I have to pretend that I am working. Bye!”

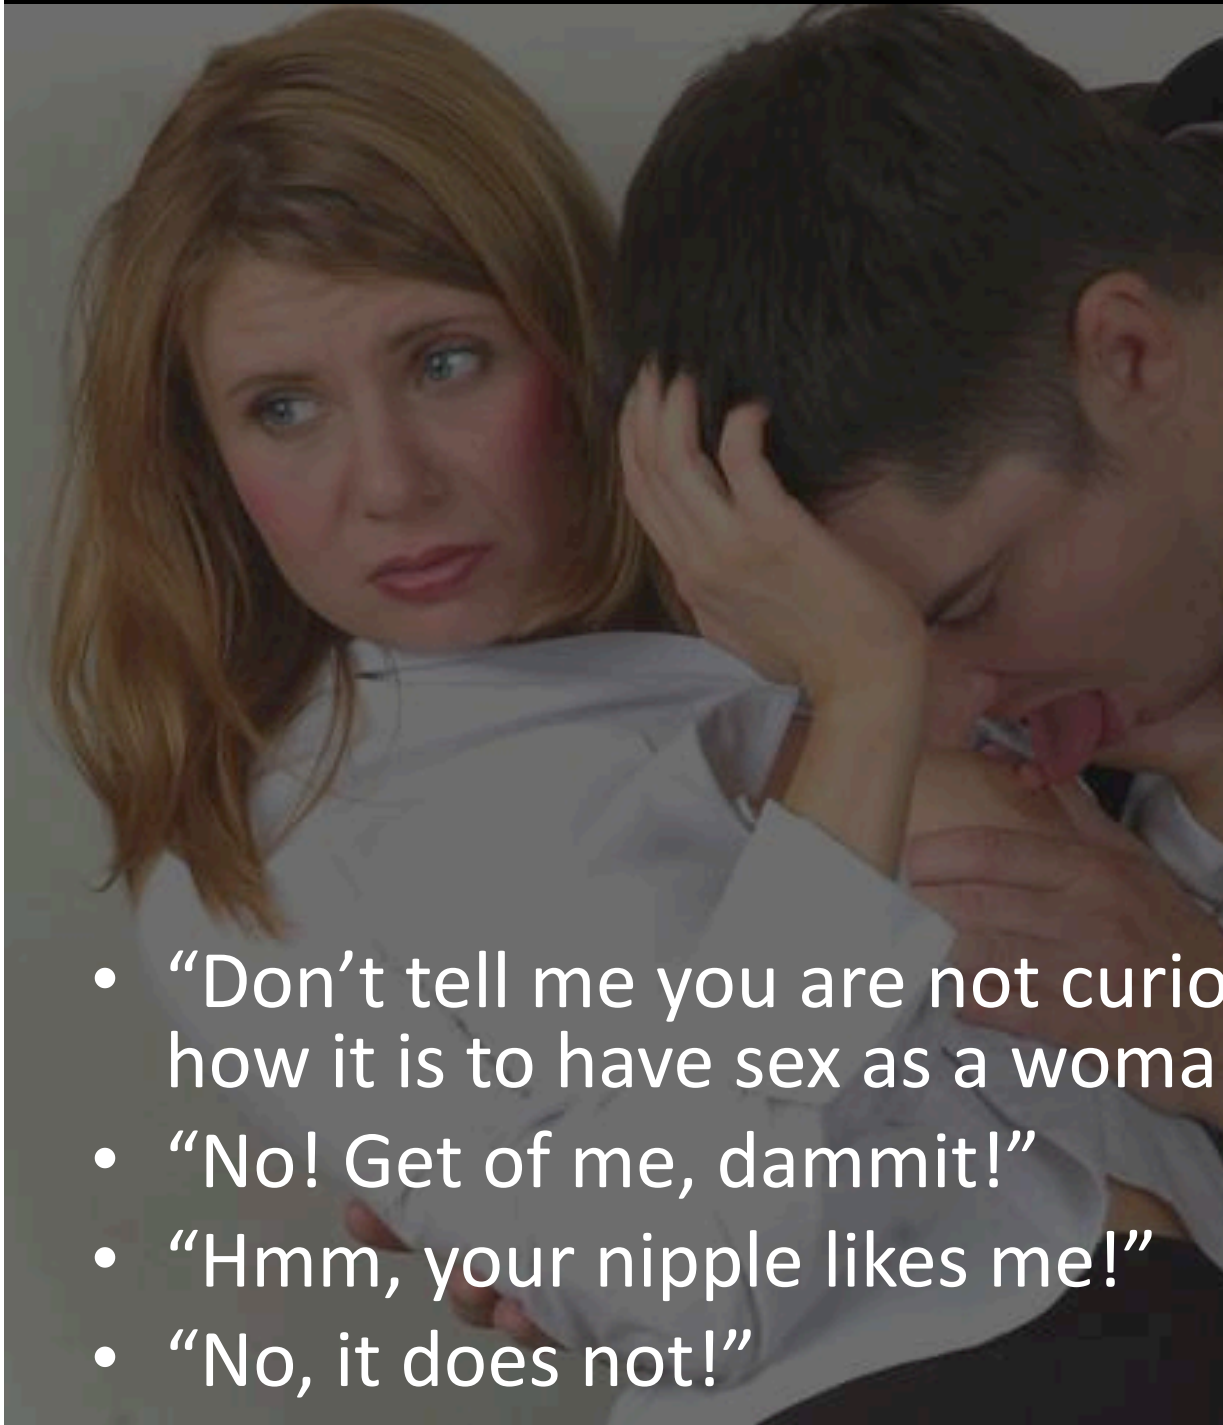

- “Hey there. How does it feel being a woman for a day?”
- “Not too bad, boss, apart from the hair, I mean. It falls down into my face all the time.”
- “You do understand that this punishment requires you to do everything my regular secretary does, don’t you, and that you will lose your job if you don’t?”
- “Whatever you say, boss!”

- “Fine! I am so glad we understand each other. So you don’t mind me touching your sexy little butt, do you?”
- “Hey, stop that!”
- “My secretary doesn’t mind, you know...”

- “Oh, I love your tits, Jessica. How do they feel on the inside?”
- “Oh... no... please!”
- “This is powerful magic, Jessica. You have already agreed to this, and you will find it hard to resist.”

- “Don’t tell me you are not curious to know how it is to have sex as a woman!”
- “No! Get of me, dammit!”
- “Hmm, your nipple likes me!”
- “No, it does not!”

- “You are starting to like it now, aren’t you, Jessica?”
- “No...ah!...I... aaahm... not... oh!”

- “These are hard times, Jessica, are you sure you can afford to lose this job? Spread you legs for daddy!”
- “Damn you!”
- “Good girl! Good girl!”

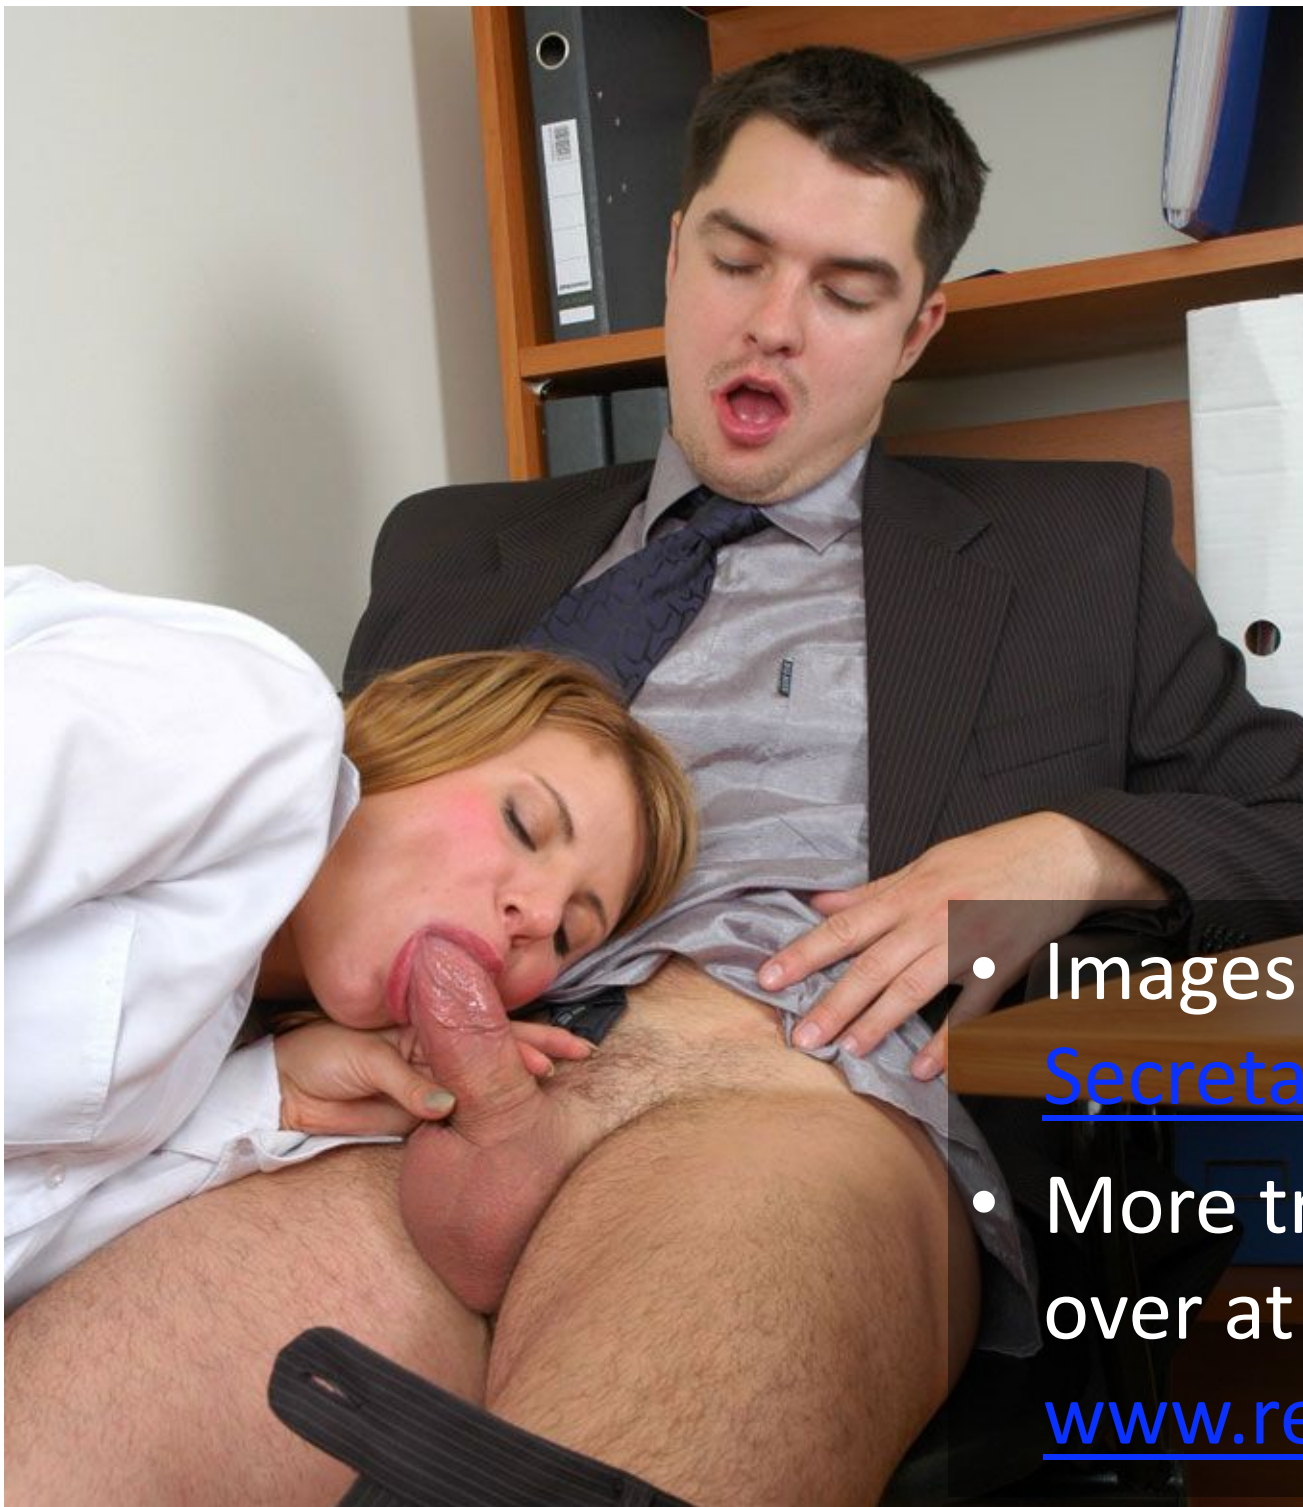

- “Don’t fight it, girl! Nobody but you and me will know about this!”
- “Oh God!”

- 
- “Yeah, suck my finger! I have more you can suck on, you know!”
 - “No way!”
 - “Sure you will!”

- “I am sorry, dear, but I did not bring a rubber.”
- “And?”
- “Well, these changes become permanent if I come inside you.”
- “What?!!”
- “Sorry about that. On the bright side: the original Jessica got tired of my advances. Her position is vacant.”
