- ▣ “Alan, sit down!” There was no “please” in James Baldwin’s voice. The CEO of Transcare Inc. was angry, and Alan knew why.
- ▣ “We have had some bad reports regarding your latest assignment, Alan,” Baldwin began. “The father of Ayako Takahashi tells me you have betrayed the trust the family put in our company and our ability to heal mental suffering.”

- ▣ “But Ayako is well now!”
- ▣ “I am talking now, Alan! Mr. Takahashi tells me violated code 14 of Transcare’s charters. Is this true?”
- ▣ “Yes...”
- ▣ “You do realize that this may cost you your job, don’t you?”
- ▣ “Yes.”
- ▣ “Tell me what happened!”

- ▣ “I was assigned to the Takahashi family when traditional therapy had failed to cure their daughter. She was suffering from depression. She was very lonely, and had found it hard to get friends her own age. It was decided that I, as Enacting Psychologist, would play the role of the friendly and sympathetic girl friend. I used the transformation chamber to get a proper body.”
- ▣ “You changed into a Japanese teenage girl?”
- ▣ “Yes, I believed it was important for her to get a friend she could open up to.”

- ▣ “Do you know Japanese?”
- ▣ “I had worked there for five years, but I did use the neuro programmer. Her father told her I was an American exchange student of Japanese decent.”
- ▣ “How did you get close to her?”
- ▣ “I recommended that she and I should go on a trip to the Kamura Island, unsupervised. Ayako agreed right away, as it gave her a chance to get away from her father.”

▣ “It worked, sir. I was able to bond with her quite quickly, and when we arrived at the hotel she was already trusting me.”

▣ “How did you cope with your new body? Could the fact that you were now female explain what happened?”

- ▣ “Very much so. I had never been in the field as a woman, sir. But I found it amazingly easy to act as a teenage girl. I do not think Ayako ever doubted that I was Choko, her girl friend, because in a way I was.”
- ▣ “You should know better Allan! You are trained to resist the assimilation syndrome!”

- ▣ “I know, sir, but it truly felt as I had become myself, and that my regular life as a male therapist was the fake one.”
- ▣ “I see” Then what happened?”
- ▣ “We spent a lot of time on the beach. Swimming, playing, having a lot of fun!”

▣ “We talked a lot, Sir, and she finally told me about her life.”

- ▣ “Had there been abuse?”
- ▣ “No sexual abuse, but neglect, sir. Her mother died a few years ago and her father is busy running his company. He has no time for his daughter. This caused her depression. As soon as she got a friend her depression subsided. She is a lovely girl, sir!”

- ▣ “I am sure she is!”
There was sarcasm in the CEO’s voice.
- ▣ Alan tried to explain: “She cried a lot, then we laughed a lot, and then it just happened, sir.”
- ▣ “What happened?”
- ▣ “We fell in love!”
- ▣ “Damn it, Allan! You cannot allow that to happen!”

- ▣ “But I truly believe that my life as Choko is closer to my real life than the life of Alan, sir. It feels right, and I want to make her happy.”

- ▣ “You made love?”
- ▣ “Night after night, sir, and it was the most heavenly sex I have ever had. ”

- ▣ “I want to spend the rest of my life with her, sir, and I told her so.”
- ▣ “Well, did you tell her who you are?”
- ▣ “Yes, sir, I did. She called her father, sir, and told him she wanted me to stay.”
- ▣ “And then he called me.”
- ▣ “Yes, sir. “

- ▣ “Well, Alan, I do not know what to do with this case. When Mr. Takahashi called me last week, I was convinced that we had to report this to the police, which would have been a huge embarrassment to this firm. As a matter of fact, I think our stock would plummet and our business would dry up. Mr. Takahashi has proposed a way out of this mess, however.”
- ▣ “Really?”

- ▣ “His daughter has never been so happy, and he wants her to be happy. He wants me to relieve you from your contract, change you into Choko and leave you into his care as a non registered alien in Japan.”
- ▣ “No papers, eh?”

- ▣ “No papers! He believes this will give him enough power over you to stop him from hurting his daughter.”
- ▣ “I accept, sir!”
- ▣ “I thought you would. I have booked the transformation chamber for 1 p.m. The flight leaves at midnight.”
