heaven come in splendor  
fill us with your hope inside our lives  
Holy fire burning  
hearts forever turning  
the glory of your name shall ever rise

And all our praise  
the angels sing  
holy is he, holy is he

Jesus you are here now  
Fill us with your peace now  
Standing here we bow before your crown

Fix our eyes to heaven  
Fill us with your presence  
Lord we're standing here on holy ground

I will stand with my arms  
Lifted high in surrender  
I will fall to my knees  
with a heart of repentance

the angels sing  
holy is he, holy is he
