Trapped in Japan

No, I get it. I ruined the negotiations. I, Damien, a junior engineer from the West, humiliated you by contradicting you during the conference. You lost face. I get it. And now you have used your connections to punish me, using ancient magic to turn me into a Japanese girl with no name, no past and no future. What's left for me now is to serve you and your business associates.

Biker Girl

Rodney could feel Buff push his cock up against his newly formed female ass. «You are a disgrace!» Buff wheezed. «And you know what we do to sissies in Hell's Angels.» Rodney knew he had to look humiliated if he were to survive his new life in the organization, but he was so horny he found it very hard not to grin. The voodoo master sitting in the corner of the club house noticed and stifled a smile. There were quite a few club members who had found it hard to live up to the masculine ideals of the club, and who have slipped in one way or the other. They all faced total feminization. The master knew that there was something different about Rodney, though. The fact that he bought a Yamaha bike was a dead give away.

Tour de Femme

Tom, Christian, David and Zachary had used the drugs their trainer had provided for them for a long time now. Unfortunately they did not win any tours this way, but they had so much more fun. It was Tom who came up with the idea of color coordinated bicycles. 'We may not be the best team in the sport,' he told the BBC. 'But we are definitely the most stylish one!' Their trainer had more success with the competing team, though.

There was a time when he thought he could get away from the Farm, and that he could get his life back. But after three years of hormones surgery and electrolysis, he was no longer that naïve. He was still dreaming of pussy, but now he dreamt of one of his own. He dreamt of stepping all the way to the other side and becoming the girl his master wanted. Oh yes, that would be good!

Dear Mum,

These are my friends Anne and Bambi. I am the one in the middle, in case you haven't seen any pictures of me after the transformation. I am not cross with you anymore. I understand why you and dad did what you did. I was after all rude at the dinner table, calling Aunt Agatha an old crow.

I like being at St. MacKenzies. Today we had makeup-class, good manners, yoga and ballet. Tomorrow we will learn about how to decorate your house with pillows. I cannot wait!

Your devoted daughter,
Alexia

The First Day

«Now, take a deep breath, Dylan! I know that a magical transformation can be a huge shock for the psyche. But believe me, this is the only way to make sure the FBI won't find you. I have helped a lot of girls like you before, and as long as you do what I say, you will be fine. OK? Fine! All right... Today I will help you to accept and love your new body. I want you to let your hands slowly move over your skin. Can you do that? Yeah, I know your cock is gone, but what you have got instead is so much better, believe me! No, no, no! It's OK! It is only normal to be a little bit afraid on the first day. Come here and let me kiss you. That is better, isn't it?»

A SPECIAL WEEKEND

IT COSTS 600 DOLLARS A DAY TO RENT A BODY ON THE SWAP MARKET. IF YOU WANT A CLEAN ONE. YOUTBEYOU INC. PROVIDES THE BEST SERVICE IN MY OPINION, AS THEY HAVE PROFESSIONAL HOSTS, MANY OF THEM HEALTH PROFESSIONALS. THEY TAKE GOOD CARE OF THEIR OWN BODIES, AND THEY TAKE GOOD CARE OF YOURS. JASMINE TAKES MY BODY TO THE GYM, WHILE I GO PARTYING WITH HERS. SURE IT IS EXPENSIVE, BUT HAVING A COCK BETWEEN MY BIG BREAST IS SOMETHING I CANNOT LIVE WITHOUT ANYMORE. I JUST WISH SHE WOULD BE WILLING TO SELL HER BODY TO ME.

«No, I am telling you. I am Tom! This girl ran into me on the subway, grabbed my hand and mumbled something in a language I did not understand. And then I saw my own body running into the next train and disappear. I don't know what to do! I called my office, but they say I am there leading the board meeting. My secretary had been warned about me and threatened to call the police. I don't know what to do. I don't know who this girl is or where she used to live. Please, can I stay at your place?»

«I'll be glad to help,» he said. «Now, why don't we find a nice spot and sit down and talk about this. Everything gets better if we talk about it.»

I should have known better.
