Last 3 Quarters Jump Zone: 11.08%, -4.39%, 12.58%

Consensus Estimates: \$1.61 (whisper) \$1.60 (estimate) \$1.57 (wall street)

StockJumpers trajectory analysis – reveals an up move post release but watch for the whipsaw drop. Market sentiment is favorable to any meet or beat as long as forward guidance is not negative. We are long for the event and though it's always good to take profit early – the up trajectory may continue into the following day. There may be potential to double dip or run your profits on the long.
