

# HAWAIIAN DREAM JACKPOT

Hawaiian Dream Jackpot is a brand new addition to the smash hit Hawaiian Dream series of games.

This time, players are treated to a whole new fixed prize jackpot feature, with stunning visuals and big prizes!

On top of that, they still get to experience their favorite features of Hawaiian Dream, with the always popular Hibiscus Rush and Ultimate Rush features.

This game also introduces the new ante bet feature in our games, EX BET! Players can bet 25% more per bet for higher chances to trigger the jackpot feature.

Game type: Video Slot  
Slot RTP (Return to Player):  
97.00%

The **SETTINGS** button opens the **SETTINGS** menu.

The **BET** button provides amount options for betting.

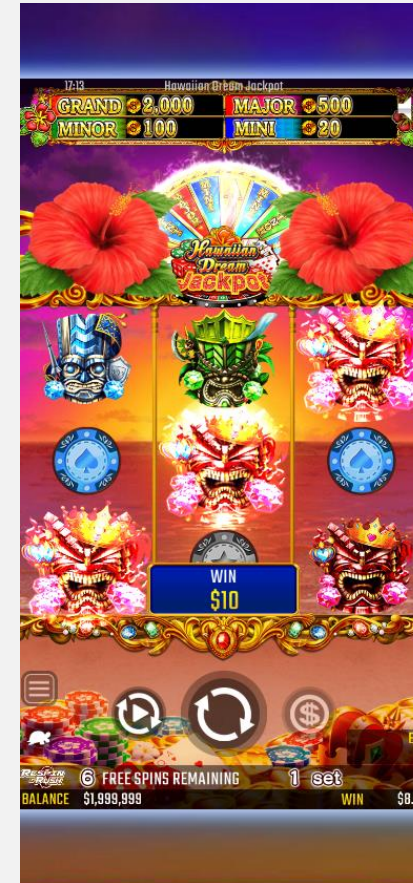

# GAME RULES : BASE GAME

The reels are a 3x3 array similar to Hawaiian Dream. When three red 7 symbols appear on the reels, the Hibiscus Rush feature will be triggered.

# GAME FEATURE : HIBISCUS RUSH

Three Blue 7 symbols appearing on a winning line in the base game will trigger the Hibiscus Rush feature (free spins). It can also be triggered when 3 adjacent Respin symbols appear on the reels 4 consecutive times. Free spins are awarded in sets. There are 8 free spins per set. During the Hibiscus Rush, three Neon 7 symbols appearing on a winning line will award 1 additional set (8 free spins).

# GAME FEATURE : HIBISCUS RUSH SUPER

Three Red 7 symbols appearing on a winning line in the base game or Hibiscus Rush will trigger the Hibiscus Rush Super feature (free spins). It can also be triggered when 3 adjacent Respin symbols appear on the reels 4 consecutive times. Free spins are awarded in sets. There are 8 free spins per set. During the Hibiscus Rush, three Neon 7 symbols appearing on a winning line will award 1 additional set (8 free spins).

# GAME FEATURE : ULTIMATE RUSH

Ultimate Rush will be triggered when three red 7 symbols appear on the reels in the base game or Hibiscus Rush, and change to Golden 7 symbols. During Ultimate Rush, payouts are continuously won as long as 3 of the same symbols stop on adjacent reels. The Hibiscus Rush Super will start when Ultimate Rush ends.

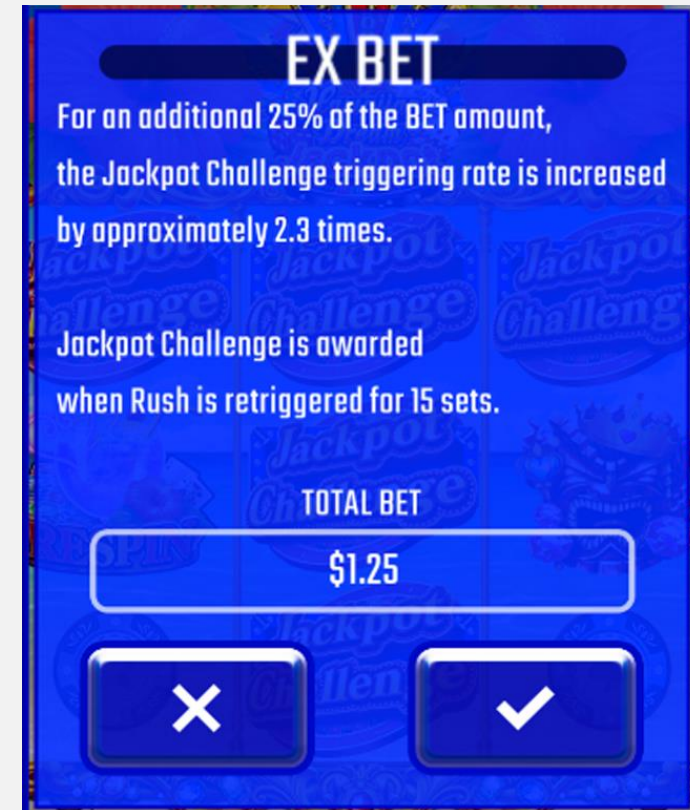

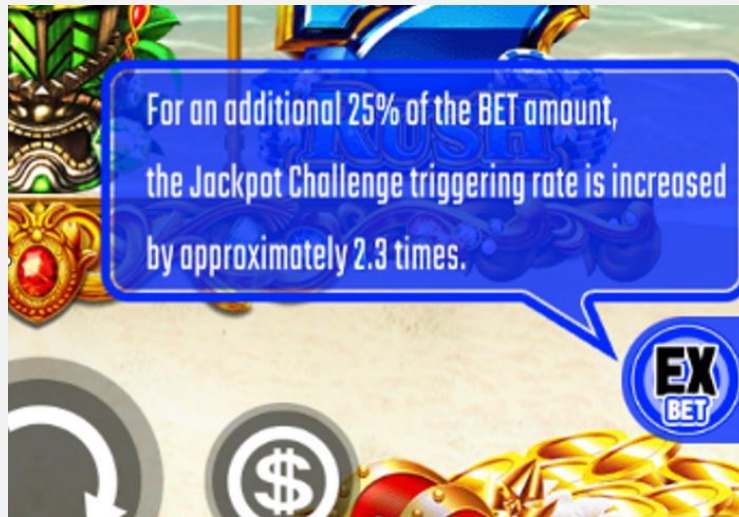

# GAME FEATURE : RESPINS

Whenever three Respin symbols appear on a winning line in the base game, 1 respin is awarded. If 4 respins are triggered consecutively, three 7 symbols will appear on the reels on the final respin. The 7 symbols that appear are randomly chosen between red 7 and blue 7 symbols, which will then trigger the Hibiscus Rush or Hibiscus Rush Super, respectively. There is a chance the red 7 symbols may change to golden 7 symbols, which would cause the Ultimate Rush to trigger.

# GAME FEATURE : EX BET (ante-bet feature)

Pressing the EX BET button on the screen will open a confirmation window, allowing players to bet an additional 25% of their bet. In return, the Jackpot Challenge triggering rate is increased by approximately 2.3x.

# GAME FEATURE : JACKPOT FEATURE

The Jackpot feature is triggered when 3 Jackpot symbols appear on the reels during the base game. The wheels will have the bonus prizes and an “arrow”. After the wheel spins, if it stops on a bonus prize, player will be awarded the prize the point lands on and the feature will end. If it lands on an arrow, the game will advance to the next wheel. The next wheel will contain high level prizes.
