

Play On Shakespeare is a delightful introduction to some of the characters, themes, and literary devices that make Shakespeare's plays so well loved. Within these pages, children will meet some of Shakespeare's most famous characters, while also learning how to use key literary devices, such as alliterations and similes. The beautiful illustrations bring the play to life and the color-coded text highlights and defines literature elements in the story, both contributing to a rich, multilayered reading experience. How to enjoy these books...

Shakespeare's works are not only famous for how entertaining they are and the lessons they teach, but they are also filled with important literary devices. Pay attention to the color of the words as you read along to see what literary device is being used!

GREEN words show **SETTING**—where the story is taking place.

PURPLE words show the **CHARACTERS**—who is in the story.

YELLOW words show **FORESHADOWING**—hints about what is going to come next.

PINK words show **SIMILES**—comparisons that use the words "like" or "as."

ORANGE words show **ALLITERATION**—two or more words that start with the same sound.

BLUE words show **IMAGERY**—descriptive words that can be experienced by one of the five senses.

BOLD BLACK words were invented by **SHAKESPEARE** and the definitions can be found in the back of the book.
