

# Someone's Bitch

Transgender erotica by Rebecca Molay  
Sexually Explicit! For Adults only!

- I hadn't done it! Really, I hadn't. I know they all say so, but in my case it was a genuine mix up with another man. He is now out living the sweet life, while I am in prison.
- I was accused for robbery and sexual assault, and given the new penal code of 2014 the punishment is 10 years and permanent chemical castration.
- I hadn't dreamed that they could take it this far, though.

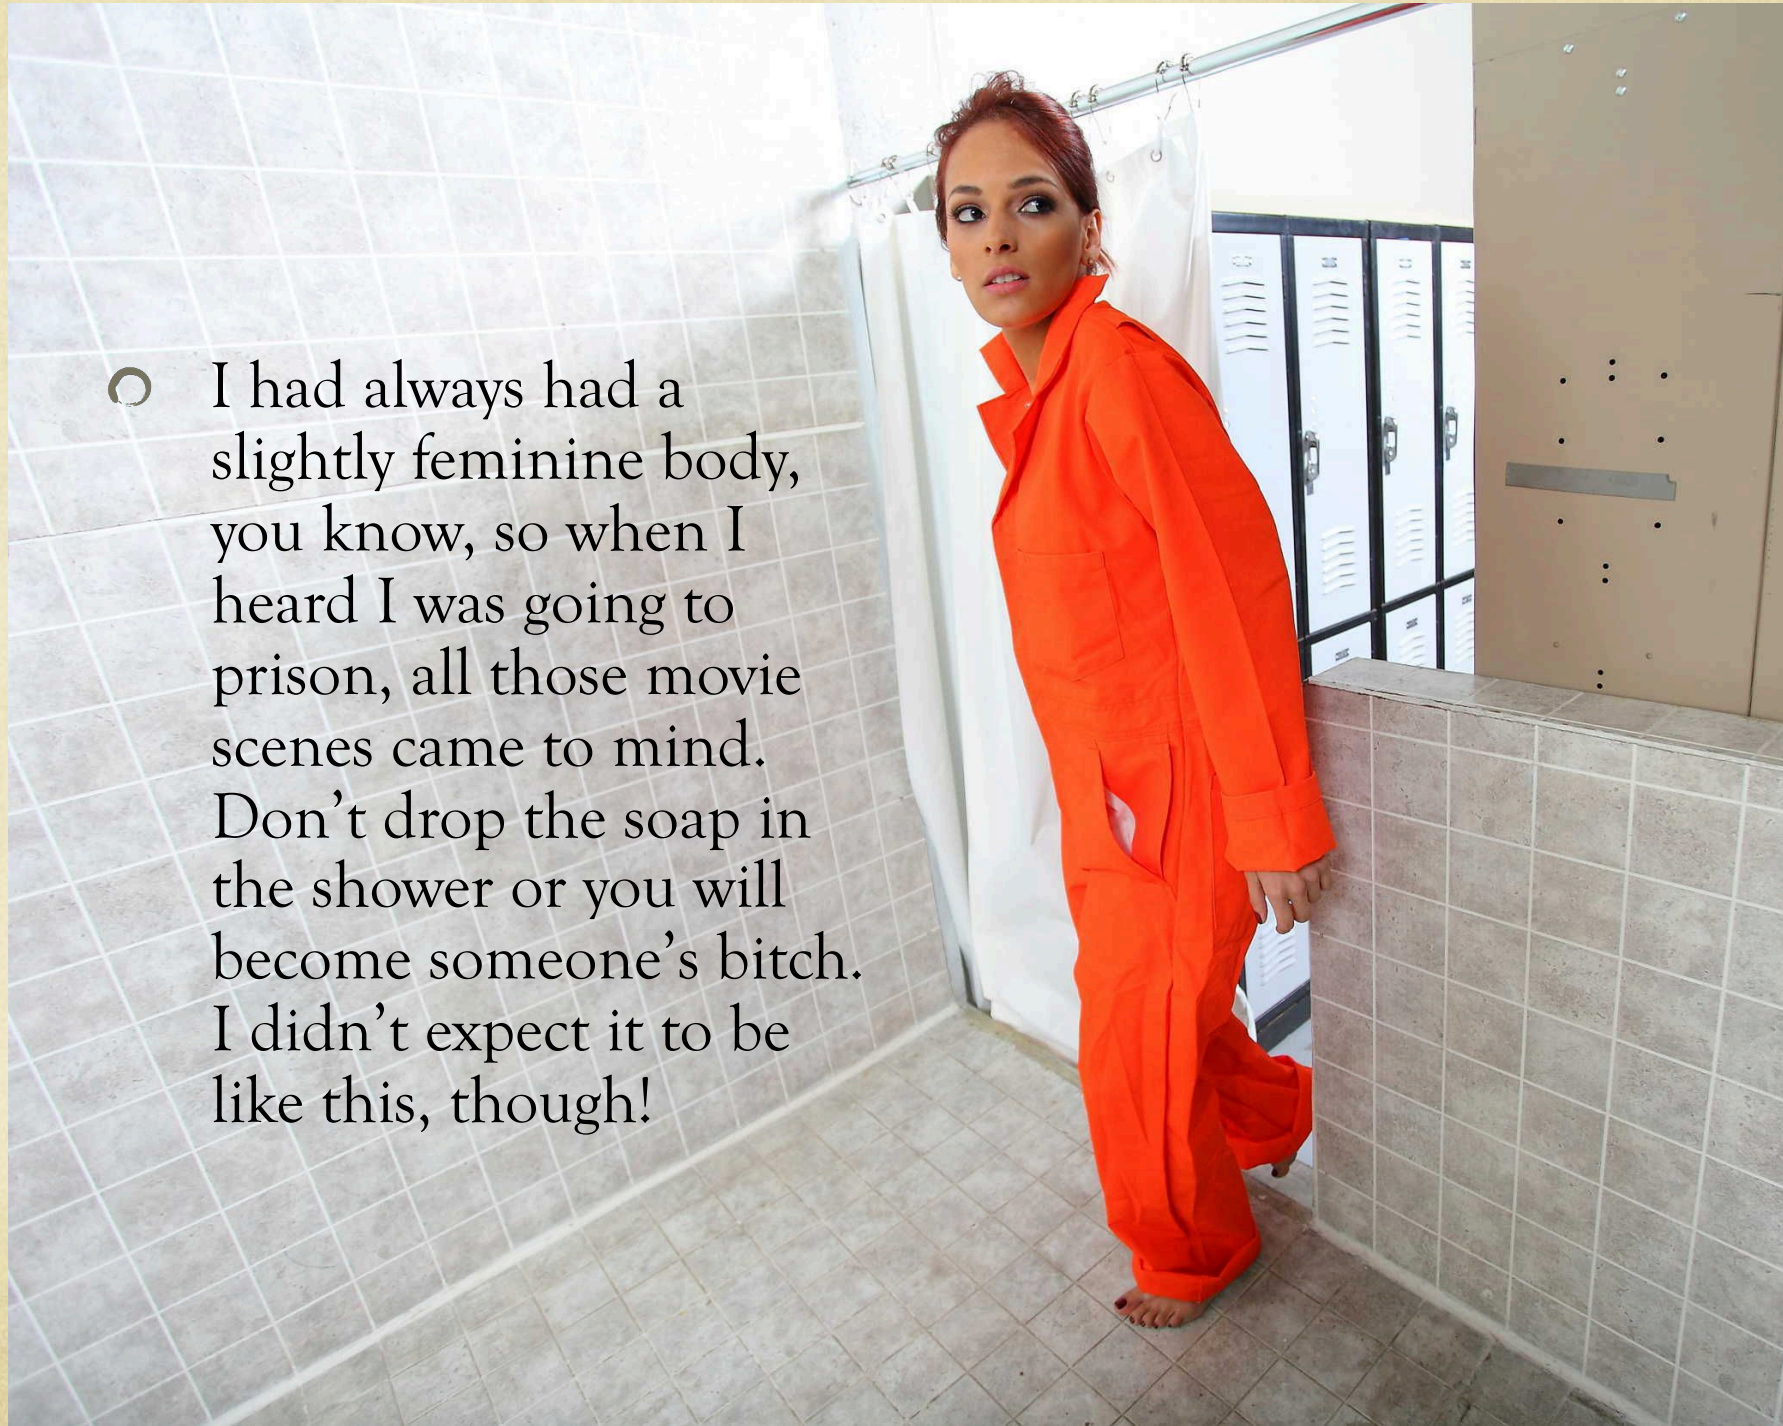

- They gave me hormones. There was radical surgery. Here I am, serving time in a woman's prison.
- The argument is that the crime rate is so much lower for women, that the chances are I will not be a repeat offender when I come out.

- I had always had a slightly feminine body, you know, so when I heard I was going to prison, all those movie scenes came to mind. Don't drop the soap in the shower or you will become someone's bitch. I didn't expect it to be like this, though!

- I try to find a time when I can be alone in the shower, you know, because I am so ashamed of who I have become. I have been emasculated and humiliated. And there are some really scary people in here.

○ I do not want anyone to see me. I don't even want to look at myself. Oh no, that is Anita, the capu for Lisa. Lisa is the leader of the Lesbian League. She has the real power in this place.

○ “Why are you hiding all that beauty from us?” Anita asks.

○ I am not beautiful. I am a freak!

- “I hate men, “ Anita says. “Everything that is evil in this world is caused by them, and you used to be one of them didn’t you?”
- I close my eyes in fear.
- “It is time you pay your debt to womanhood, Alex,” she says.

- Then Lisa appears, the gang boss herself. “He is ready for you,” Anita says.
- “Let me show him who has balls around here,” Lisa says.

“You are pretty sweet for a man,” she says to me. “Get dressed and come to my cell.”

I have no choice.

- “So you are taking advantage of vulnerable women, are you?” she asks me in her cell.
- I try to object, but she is not listening.
- “Well, now you are going to be my bitch!” she says.

- I hadn't had sex for over a year, and I must admit her lips tastes good. But God am I scared.
- "I must admit they have done a good job on you!" she says. "You are sexy!"
- Me, sexy?

- I am getting turned on now, for the first time since the change. I grab her tits and long for her to touch mine.

- And she does! I had tried avoiding touching my body, even looking at it, but now it feels good. The she moves down between my legs.

- For the first time it feels natural not to have my old dick down there. I long for something more.
- “You wonder how it would feel like, don’t you?” she asks. “To be filled up down there? Thank God, we do not need men for that!”

- “Who’s the cock-sucker, now, you bastard?” she asks and forces me to suck that huge toy of hers. The problem is that it turns me on. I feel wet between my legs.

- I spread my legs and let her do what she wants with me. It feels so good to be filled up with cock. Suddenly the next few years do not look so bleak.

- I have become Lexie, the prison bitch!
