

In My Neighborhood ...

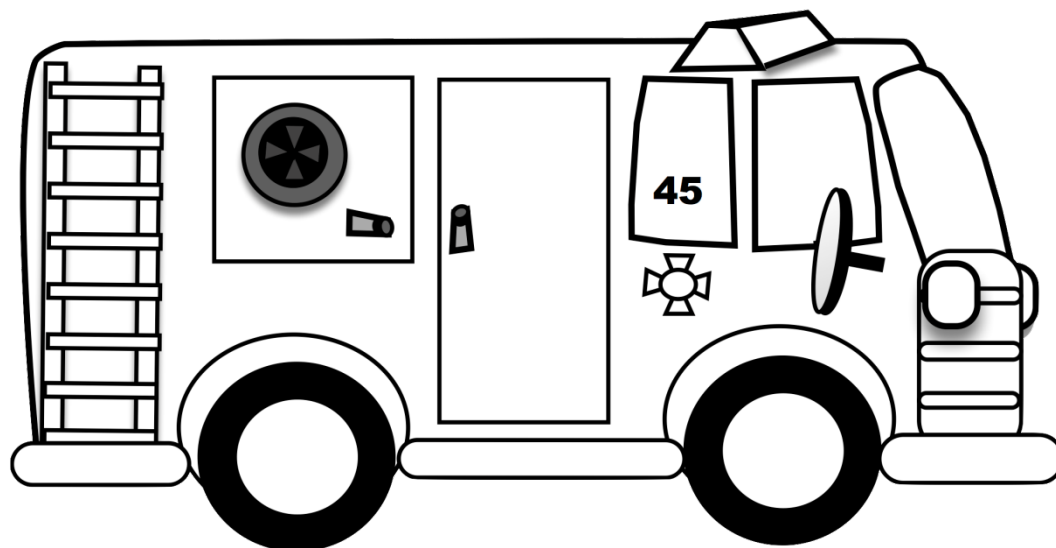

... I can see a police car.

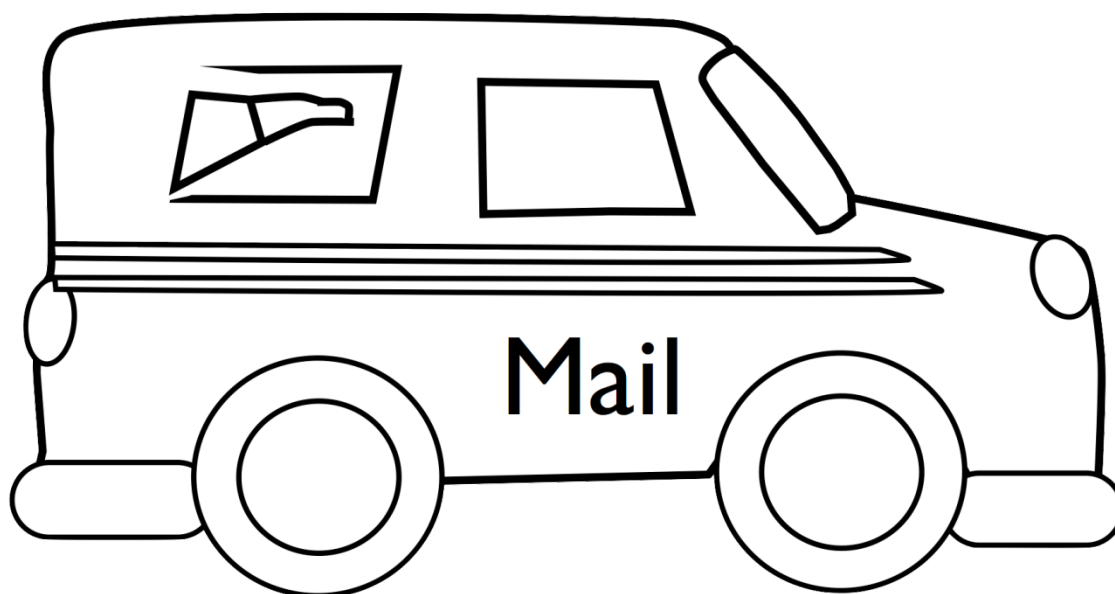

... I can see an ambulance.

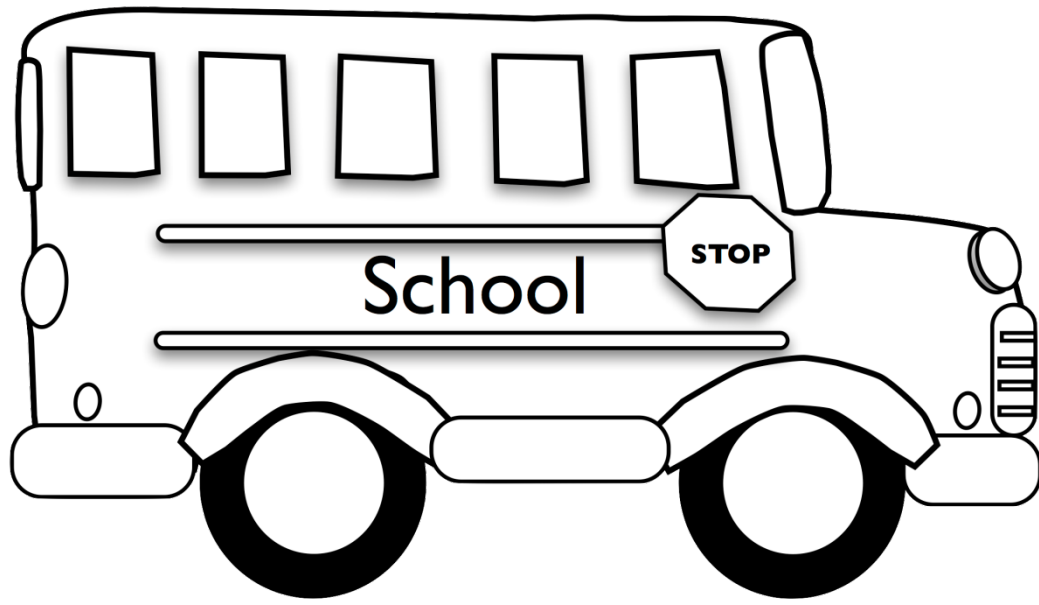

... I can see a garbage truck.

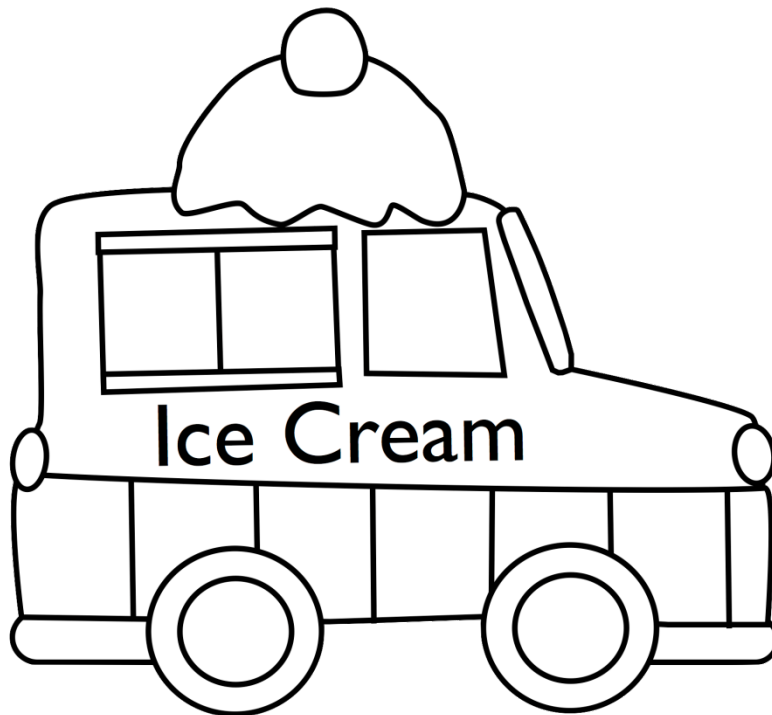

... I can see a fire truck.

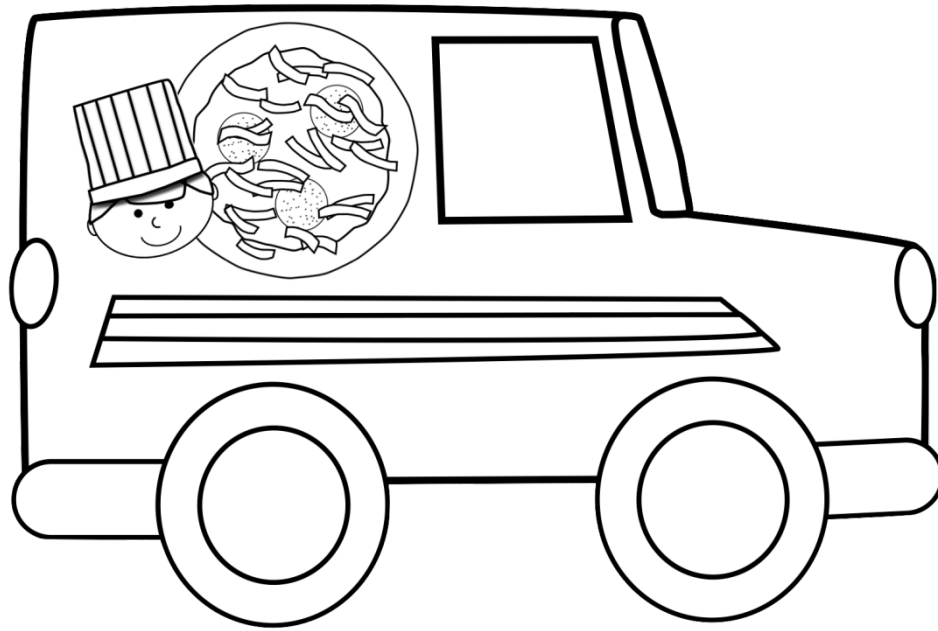

... I can see a mail van.

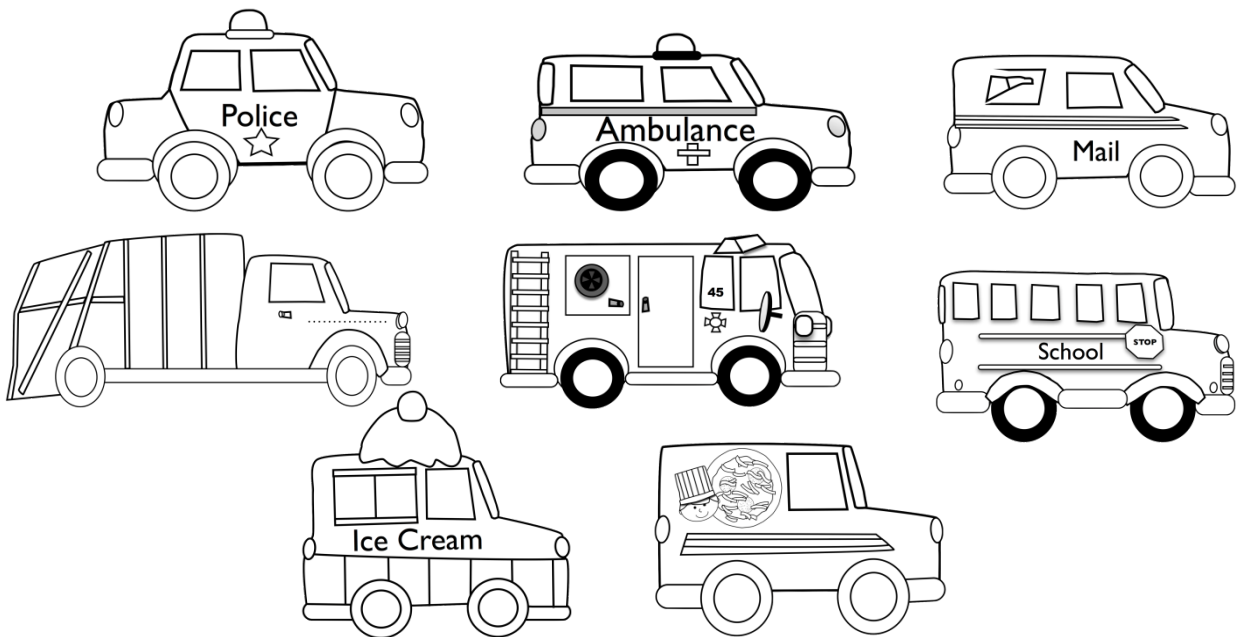

... I can see a school bus.

... I can see an ice cream van.

... I can see a pizza van.

I can see them all in my neighborhood.

This “predictable” emergent reader about vehicles that we might see in our neighborhood is a small sample from a [GIANT mega-pack](#) of color and b/w printables to complement your Transportation theme unit. Age range from preschool through 1st grade, plus RTI and SPED. Choose from the many activities included to suit your need. 219 pages

Contents of the [Transportation Mega-Pack](#):
