Brandi White Designs Terms of Use, Contact Information & Credits

All of my designs are available only for PERSONAL USE.

Please don't profit from using these designs. That's just rude.

Copyright stays with the creator. Your download grants you a license to use these images in your digital scrapbooking layouts and other paper projects, but it does not permit you to claim the designs as your own.

I do use a few commercial use products in my designs. Those I choose to use do not require that credit be given.
