

The Birthday Present

Transgender erotica by Rebecca Molay
Sexually Explicit! For adults only!

Mike knew had the most devoted and loving lover in the world, but when she discovered his web surfing habits by accident, he thought it was over. Eliza, however, studied Rachel's Haven with great interest, and surprised him on his birthday with a dose of Fem bought on the lack market. Fem had the ability – for a short time -- of changing your body on the quantum level, replacing it with a completely different information matrix.

"No, I don't know what an information matrix is, either," Eileen said as their heavy breasts touched in bed.

"I cannot believe that you would indulge in my fantasy of having sex as a woman," Mike said.

"It only lasts for one night, darling," Eliza said. "They are extremely expensive."

"I know, so let's make the most out of it!" Mike replied. He was slightly worried about his girl friend turning out to be a lesbian, but he was not complaining.

The fact was that Eliza wasn't much of a lesbian. In fact, she wasn't too happy about her discovery and had decided to teach Mike a lesson. She had a surprise in store that would stop him visiting sites like that forever.

“What are you doing here?” Mike was seriously annoyed, but it dawned on him that their friend Bill may think that Eliza was cheating on him, Mike. Or, and at this point he felt himself getting agitated, maybe Bill was her secret lover?

“Eliza invited me!” Bill said.

"I know that you are Mike," Bill said, "even if it is hard to understand that such a stupid man can be hiding behind such a wonderful exterior. What kind of man wants to be a woman?"

"Fuck you!" Mike screamed.
"Get out of our house!" Bill was ruining everything.

Eliza was curious to see if Mike would pass her test.

“Don’t worry, Mike,” she said. “We can have fun the three of us.” “No!” Mike responded. “Well, do at least touch his dick and see if you like it,” she replied. “I will go if you touch it,” Bill said.

Bill's dick was huge and Mike didn't dare to look at it. But he did touch it in hope of getting rid of the guy. His small hand couldn't reach around it. His own dick was a miniature compared to this one. Mike felt a mix of defeat and utter fascination. "Please go!" he said. "Are you sure?" Eliza replied. This was the test. If he let go of the dick, she would still consider him a man.

Instead she watched in shock as Mike put the cock inside his mouth. He had failed completely. Mike didn't know what had gotten over him. In one moment he had decided to get rid of the guy, in the next he found himself sucking cock?!

Later on he would realize that this was caused by a mix of his own crossdreaming fantasies and the hormonal surges of his feminine body. Right now he closed his eyes in shame, but he could not help sucking when Bill put a finger in his mouth.

“You are one hungry slut, aren’t you?”
Bill laughed mockingly.

Eliza had decided to give him one more chance. If Mike stopped at this point, she might forgive him. But she continued to lick his tits in order to make the ordeal a hard one.

But Mike got more and more aroused, and found it harder and harder to resist the need for cock.

He didn't even feel jealousy when Bill started to fuck his girlfriend, only a deep fascination of the mere possibility of having a cock inside him.

Shorly after he fond himself bending over offering his butt to Bill. Bill did not hesitate, but plunged his tool into Mikes wet snatch.

“I cannot believe you are doing this!” Eliza complained, before giving in to the pleasure of having Mike giving her head.

"You were right, Bill," Eliza said while watching her friend pushing his cock into Mikes anus. "He is a girl on the inside. You are a much better lover than he will ever be. If you pay for a Fem overdose, I will leave him and move in with you."

Mike didn't care anymore. He wanted that overdose. He wanted to stay a woman forever. And he knew the only reason Mike could have for paying for such an expensive dosage was because he wanted to have Mike around as a lover. Mike could live with that.
