Dear Independent Marketing Associate,

SHAZAAM!

THETAXPEOPLE.NET IS COMPANY OF THE MONTH!!

Crystal Hart, William Starkey, Bradley Hager, Benny & Renee Brown, Christopher Duggan, Michael Maule and Stephen Chan are the newest leaders to join the elite in the Diamond Pool. Stephen Chan earned his share by qualifying for String of Diamonds in twelve months! S&H Enterprise has joined the Double Diamond Pool. Steve & Janet Hutchinson are now enjoying THREE shares of the Diamond Pool (ask 'em how). Congratulations go to all of these quality individuals and their "significant others"/partners and families. When these people offer you their help, we advise you to listen!

Money Makers Monthly is our industry's most widely circulated, and among the most respected, publications in the world. OUR company was selected by them as the "Company of the Month" for July! They featured us on their cover and are making reprints available to YOU while supplies last. These are among the most effective credibility tools you can use to share TheTaxPeople.net with other. You may order "reprints" from our Order Entry Department today.

All work and no play? Not likely, gang. The Wild Women of the Frontier rode (on horseback) through the Kansas hills to the Double M Ranch (my house) on July 1st to greet a crowd of about 600 people and give their historical presentation of America's independence. It was quite a party! The top producers of Renaissance TTP, Inc. brought their families to enjoy dinner, drinks, magicians, karaoke, and awesome fireworks that included an impressive custom-built "TheTaxPeople.net" logo spelled out in pyrotechnics, itself! Everyone enjoyed the party favors, but making new friends was the real treat.

Would you like to know how we plan to acquire FIVE MILLION CUSTOMERS? Our plans will be unveiled at the "Igniting Momentum" conference in San Diego on August 19th. If you read this before August 19th and you want to attend and you have NOT registered, contact your upline leaders IMMEDIATELY. Meanwhile, for details of any announcements, make sure you tune in to our Corporate Update Call (Sundays at 8 p.m. CST) and/or the recording at (415) 273-3946 (option 1 when prompted). Anyone may listen to the most recent UPDATE call, anytime. Details of CONFERENCE announcements will be posted to our website on August 21, 2000.

Jesse Cota, Scott Turner, Steve Kassel and Lora Lee Manikam have been attending I.R.S. Conventions across the nation! They are representing TheTaxPeople.net and they are recruiting TAX PROFESSIONALS! Meanwhile, we are informing the I.R.S. about our products and our tax team.

"During the last three weeks, I have been attending conferences with top IRS executives where we have been discussing our company, our products, our goals and objectives. I have received favorable responses from them regarding our efforts!" Jesse Cota, July 25, 2000

Record attendance has been witnessed recently at Opportunity Meetings that I was invited to attend. It is humbling to see the leadership in Houston, Memphis, St. Louis and Denver, the locations of these meetings. This month I would like to congratulate all of our marketers in these cities for the great job they're doing. When can I come back?

COLD, HARD FACTS (policy reminders):

- White boards, flip charts, Powerpoint presentations, etc. are not allowed to be used in opportunity briefings in any way, shape or form. The only method for a public representation of our company, products, and opportunity is through showing the current company video, "Take a Bite Out of Your Taxes."
- Renaissance TTP, Inc. is no longer associated in any manner with Sanford Botkin nor Dan Gleason. You may not (and would not want to) use their names, voices or likenesses in any manner, including advertisements, websites, etc. Failure to follow this instruction as of September 1, 2000 could result in IMA termination.
- When advertising, no individual may use the names of our company, products or services, our officers or our service providers in any ads or any recorded messages supporting blind ads. Specific written permission from Renaissance TTP, Inc. is required if an exception is deemed appropriate.
- "W-4" conference calls are scheduled (AND LISTED ON THIS LETTER) to teach new IMAs the "how to" regarding possible W-4 exemption changes. Unlicensed IMAs are prohibited from instructing others about this very sensitive topic. Questions about W-4 policy? Tune in to Tax Time (Mon-Fri 2 p.m. to 9 p.m. CST) at (580) 431-8071, extension 9089.
- Income claims and specific "tax savings claims" must NOT be made by IMAs without company-approved disclosures relative to these issues. Violations of these policies will be taken seriously. Legal action may include claims for damages. IMAs involved may lose their status with our company.

We continue to experience phenomenal growth and success because of the hard work and dedication you put forth in the field. Let's keep the momentum going, gang!

To your continued success,

Michael C. Cooper, Founder and CEO
