1. Birth certificate.

It is a fact that: I, Ronald Allen Wright, am a natural born State Citizen of South Carolina, in its constitutional capacity, as one of the several states of the Union. And I am an inhabitant thereof.

It is a fact that: That my birth certificate is proof that I am a State Citizen of South Carolina. (See attached birth certificate.

It is a fact that: That I am not a United States citizen, resident, person individual or any other legal fiction, nor have I ever been.

It is a fact that: I explicitly reserve all of my rights always and forevermore.

It is a fact that: That the United States, with intent and great deception, uses the term "United States citizen" to deprive the people of their rights, their birth rights, their property and freedom. And further, to regulate that status of the people, to that of livestock.

I owe you nothing nor do you have any jurisdiction over me. Your unlawful action that brought about an indictment has deprived me of my right to tranquility guaranteed by the preamble of, and the rest of the constitution for the United States of America. You are violating the RICO laws, stalking laws depriving

rights under color of law as well as the common law and the constitution. Your actions are also acts of treason and tyranny.

**I ORDER YOU TO CEASE AND DESIST ALL ACTIVITIES AGAINST ME!**
