Don't Be a Bad Guy!

Please enjoy this digital kit but please do not share it with others, do not alter it and call it your own, and do not make a profit from it (except, you may use it in Scrap-For-Hire situations).

Feel free to use this in your PERSONAL blog headers, websites, or social networking pages, but do NOT use it for things like auction templates or advertisements. Do not turn it into tags or tubes, and do not use it for anything illegal.

Remember, copyright stays with the creator. Your purchase or free download grants you a license to use these images in your digital scrapbook layouts and cards, altered projects, etcetera. Be nice!
