By the U.S. Constitution and by Congressional authority of the Committee of the Judiciary in both the House and Senate and by Federal Congressmen and Senators in Washington DC, they did receive and sign letters of Marque and Reprisal giving this man, “rodney-dale; class” and the citizens of this nation, Authority to enforce the laws of the United States and to uphold the Constitution of the United States and to bring claims of a civil or criminal nature on whoever violates Constitutionally protected Rights and whoever violate the laws of the United States, under color of law, by those whoever willfully commit perjury, etc., to their sworn oath to uphold the Constitution and the protected rights of the People.

Whereas these are Congressional acts and mandates of authority and under the U.S. Constitution this living flesh and blood man, rodney-dale; class, has been given authority to enforce the laws of the United States and to hold accountable those who accept wages and compensation under a sworn oath to the Constitution and to the laws of the United States under Article VI, clause 2 of the Constitution to protect the People’s rights and have failed to do so.

For any government official(s) whoever have been or hired elected or appointed officials to oppose such Congressional Acts given to “this man,” rodney-dale; class, or to the People would remove “ALL” Congressional authority under the Judiciary Act of 1789 and all revisions of this Act giving position to “All Courts Officers, the Prosecutor’s Office and the US Marshals Service in all Federal Districts. Whereby declaring any actions, judgments, sanctions or orders by “All Courts” invalid, “And” any actions perpetrated by the Prosecutor's Office invalid and void of subject matter and lack of jurisdiction of any Civil or Criminal Claims or to bring any actions under any Act of Congress against the People.
