# Episode 4: Mark Mann

- Welcome to another episode of Beat the Bastards, the show where we follow criminals that have undergone forced gender reassignment as part of the punishment.
- Today we will follow Mark Mann, or Marge as she is called now. This indeed the notorious bank robber of 2009.

- Marge is now working as a maid for bank executive Sir Simon fforbes. The silly uniform is part of the punishment.

- All things considered, Marge seems to have adapted well to her new life.

- That is a problem, as a central part of the alternative punishment programme is - ah - punishment.

- Which is why we have helped Sir fforbes to prepare a trap for Marge.

- It is a packet of pantyhose, and no feminized bank robber can resist that, even if he is strictly forbidden to take anything without permission.

- Why don't you open it, girl, and see what happens?

- Hmm, she just could not resist it.

- At this point we have signaled Sir fforbes, who enters the room, pretending to be very upset.

- That is the look of guilt, folks!

- “You really disappoint me, Marge. You must have know that those belonged to Lady fforbes.”

- “Turn around! In accordance with article 5 of the alternative penal code I have to punish you!”

- No, Marge. He is actually not going to beat you!

- There is no point in fighting it, Marge. You don't have a gun now. You are not the tough criminal any longer.

- It must be strange to have been a man for so long, and then -- suddenly -- have tits that other men long to suckle.

- Don't you find it a little bit exciting, Marge? You haven't had sex for over two years, and I am sure your new female mind has given you some wet dreams about cocks standing tall.

- Oh, yes, now we are talking. He found your clit!

- This, dear viewers, is the sound of a woman in heat!

- It is amazing to see what a packet of pantyhose can do for a man and a woman.

- Ladies and gentlemen, the last wall of defense is falling. Watch the dangerous criminal Mark Mann suck cock!

- In itself this isn't much of a punishment, but think about the humiliation. Around the nation criminals, cops and victims are watching this.

- Look at that. She can't help herself and has started massaging her own pussy!

- Sir fforbes has commanded her up on the chair and he is aiming for...

- ...her ass. It is the final humiliation for a convict. She has become the butt-girl of a lord.

- But the fact remains: She is loving it! Maybe there is hope for Marge, after all.

- I know Marge's mum is watching this. You should be proud of your son, Leonora! He is turning into a fine slut!

- That is it for today, folks. We end it all with two simultaneous earth shattering orgasms.

- In some cases crime does pay, though. Marge did get the pantyhose.

- The images of Beat the Bastards are fetched from [Analsaga.com](http://Analsaga.com) and [Analpantyhose.com](http://Analpantyhose.com).
- They are both part of a great package of sites devoted to every fetish from lesbian kissing via pantyhose and anal to beautiful transexuals.
