WARNING!

- This presentation contains sexually explicit material and is for adults only!
- This presentation depicts a sexual fantasy. In no way do I condone sexual violations in real life.
- The people depicted are actors or models. They are not connected to the fictional characters of this story in any way.

Episode 8: John Caine

- Welcome to another episode of Beat the Bandit, the show where we follow criminals that have undergone forced gender reassignment as part of the punishment.
- Today we will follow John Caine, or Chantal as she is called now. You may know him as the Dirty Journalist, the man who published that evil book about our beloved President.

- She has been commissioned by the son of former editor James Knot: Eric.

- The idea is that he is to punish her for reading books instead of doing something productive, like working in the garden or cleaning the house like ordinary women.

- He is going for a surprise attack.

- “Oh, Eric, stop acting like a kid! You know you can’t surprise me!”
- “But they told me to.”

- “Who told you to?”
- “The Beat the Bastard guys!”
- “Oh, you are going to make a real woman out of me?”

- “But you have been my lover for a month now”.
- “Yeah, but they don’t know that.”

“They are so bloody stupid. they can’t imagine that there are men that are so in touch with their feminine self that a sex change becomes an adventure and not an humiliation.”

- “I love you, Chantal. I love your wisdom, your humor, and your body.”
- “Well, they did make me pretty sexy, didn’t they?”

- Dear viewers, we apologize for this appalling show of affection. The Designated Guardian is clearly not aware of what is required of him.

- “Eric, are you contractually obligated to go through the whole charade: humiliation, anal sex etc. etc.?”
- “Yes”

- “Well, we’d better get on with it then.”

Dear viewer. It seems the prisoner has decided to punish the guardian with oral sex.

This is, needless to say, not according to script. I do believe we should stop this program now, in order not to lead our younger viewers into believing that crime pays.

- “Oh Eric, I just love your dick, and I love having tits that can embrace it.”

- Hm, I have gotten a message from the producer saying that they have received thousands of messages, mails and phones asking us to continue with the program.

- “I suppose this gives me a opportunity to thank the government for giving me such sensitive tits.”

- “Dear Madam President. Thank you for giving me a pussy that I can use to embrace my lover. Thank you for giving me a clit that brings me so much joy!”

Dear viewers,
it seems our
girl voluntarily
has put Eric's
dick into her
vagina. I am
not sure what
that means.

- “Chantal, do you think they will understand anything about what we are doing here?”
- “No, they do not understand love. All they understand is control.”

- “Well, Eric, I think it is time for the contractual obligation.”
- “Heh?”
- “The anal sex. If you don’t do it they will change you next, and I will lose your cock.”

- “I will be gentle. Thank you for providing me with lubricant!”
- “Funny guy!”

- “Oh, shit, that hurts!”
- “That’s because you are a tight little virgin back there. Try and relax!”

- “How come you know so much about this?”
- “Oh, shut up!”

- “You are right. That helps. It feels kind of good actually...”

Dear viewers.
It seems the
blogosphere is
buzzing with
posts about this
episode. Some
say that
Chantal has
proven the
shallowness of
our editorial
policy.

We can assure you that we have never intended to be a tool for the current regime or that we planned to profit from the degradation of human beings.

- “Oh, that tickles, Eric. OK, do it again. I think I am ready this time.”

- We would also like to remind our readers that using anal sex as a punishment is government policy and not our own.
- “Oh yes, Eric, fuck me harder!”

- “Whatever happens, Eric, remember that I love being your woman!”

- The producer tells me that the President has sent the FBI to close down the studio.

- And I hear reports of people gathering outside the Channel 9 building.

- “What do you think, Chantal. Do you think the president will have to go?”
- “Love conquers all, Eric. Love conquers all. They will probably give me my own talk show.”

- The images of Beat the Bastards are fetched from Analsaga.com and Analpantyhose.com.
- They are both part of a great package of sites devoted to every fetish from lesbian kissing via pantyhose and anal to beautiful transsexuals.
- It is highly recommended!
