# Episode 2: Frank Foyle

# Beat the Bastards

- Welcome to Beat the Bastards, where we follow prisoners under the Emasculation program. These male offenders have been changed into women, and are rented out to concerned citizens as part of their punishment.

- Frank Foyle was a college student who was found copying term papers from the Internet. Needless to say: We cannot build the future of the nation on fraud and Frank was sentenced to ten years in a maximum security prison.
- His penalty was later changed into gender reassignment and subsequent slavery.

- Frank, now Pam, is serving as a secretary at his former college.
- She has been given some time to continue her studies.

- That is getting increasingly difficult, however, as Principal Thornson is assigned to her case. He does not like to see her reading during working hours.

- He is, of course, at liberty to decide when punishment is called for.

- Today he is checking whether her summary of the latest college board meeting is in order.

- It never is.

- Thornson is old school and goes for a traditional spanking.

- This is not good! He seems somewhat distracted by Pam's admittedly delicious butt.

- Yes, he is clearly finding Pam attractive and has overcome his resistance towards fondling an ex-man.

- You may ask why Pam is not trying to stop him. The answer is that she cannot. She has been subconsciously conditioned to do anything her assigned protector asks of her.

- We are in luck, dear viewers, as it looks like Pam's days as a female virgin is going towards an end.
- In time, we hope for hers sake, she will learn to like this.

- Here's Pam tasting her first cock. She'd better get used to it, because there will be many of them before she is released next year.

- A hypnotic trigger word has brought her down on her knees.

- Who could have known? Our principal has clearly an anal fascination. I wonder what his wife will say when she sees this.

- Now, what is this? He puts her over the table. Is this to get better access to her posterior, perhaps?

- It most certainly is!

- Amazing! He doesn't even try out her virgin pussy, but goes straight for her ass.

- There are certainly more romantic ways of losing your virginity!

- But you cannot argue with the effectiveness.

- It is amazing to think that Pam was a teenage boy just a year ago. You have to be prepared for anything these days.

- I think we are getting close to the end, dear viewers. No pun intended!

- I fine little cum-scene there at the end.

- Don't miss next episode of Beat the Bastards!
