# Episode 3: Eric Anderson

# Beat the Bastards

- Welcome to Beat the Bastards, where we follow prisoners under the US Emasculation Program. These male offenders have been changed into women, and are rented out to concerned citizens as part of their punishment.

- Today we will follow Eric Anderson, or Erica as he is called now. Erica poses a special problems as the authorities have found that she has a transgender psyche.
- She likes being a woman, which makes it much harder to turn this into a punishment. There are ways, though.

- Here she is being fucked by her designated guardian, Mark Wilson, the well known SitonmyFace.com founder and millionaire.

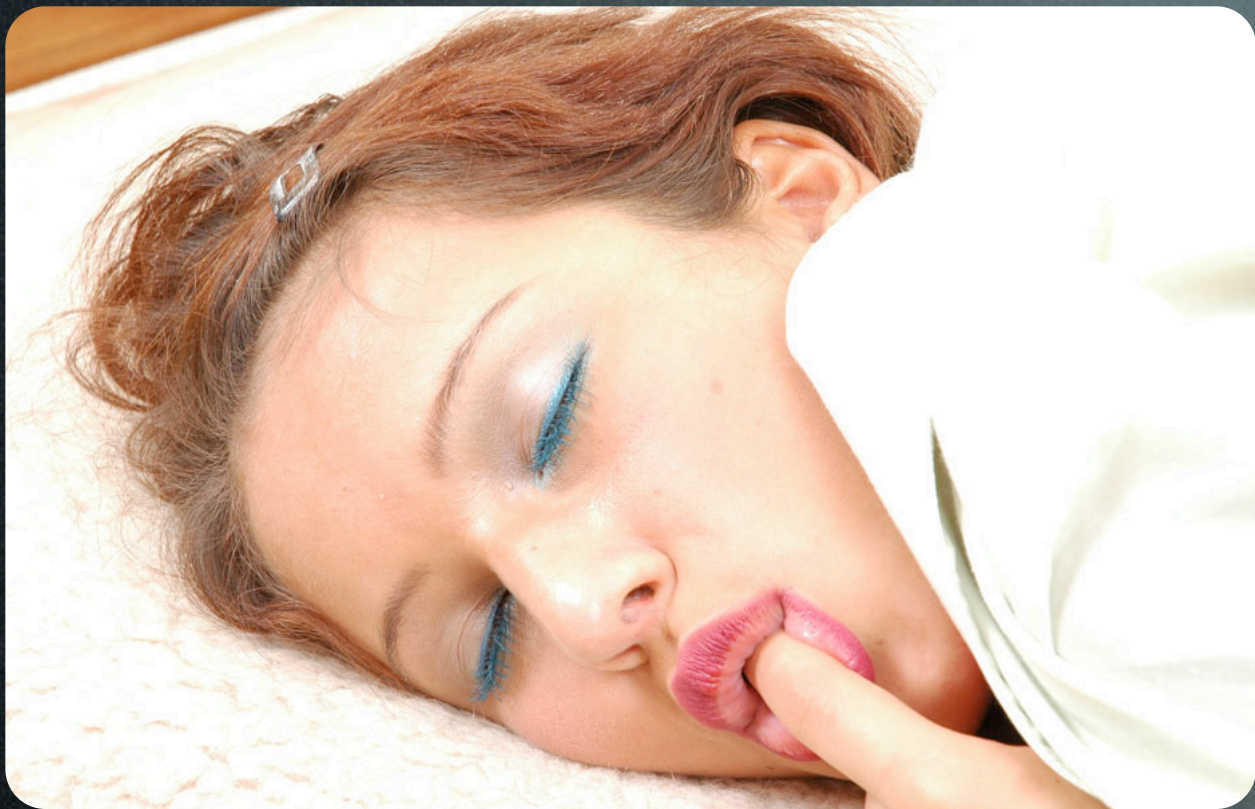

- As you can see, she offers absolutely no resistance, and seems to enjoy it all too much.

- Mister Wilson has been instructed to make her life a little bit more unpleasant.

- It seems he has come up with an idea. Hm, he goes for anal penetration. But will that be enough?

- Well, it certainly got her attention.  
You are on the right track, Mark!

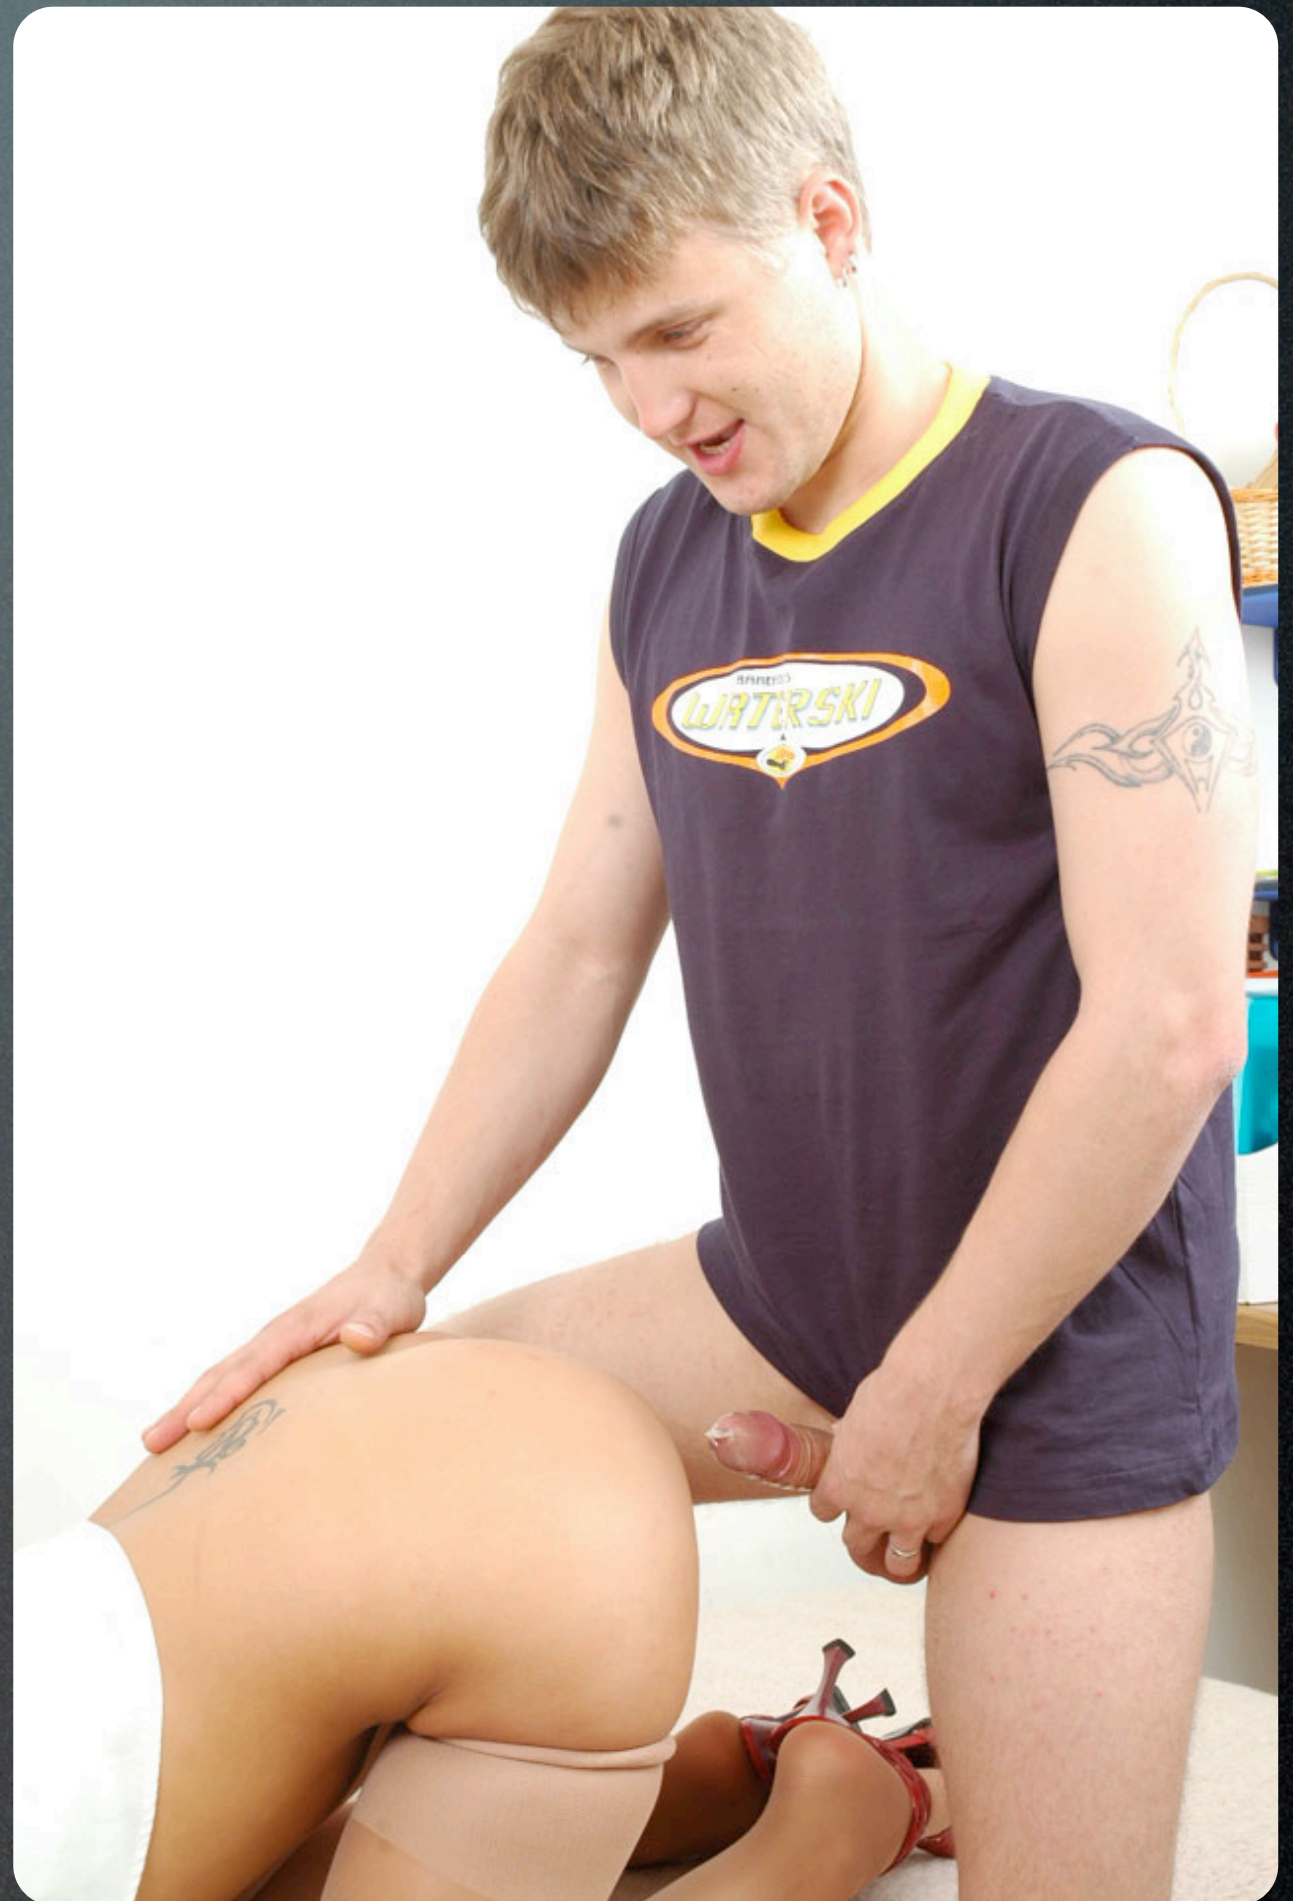

- She tries to stop him, but her conditioning will not allow for that, of course.

- He knows that, and is now moving up to phase two.

- Yes, he is going to fuck her little fanny!

- And we see another example how well the reform works as an alternative to traditional prison sentences.

- This girl will never drive past a red light again, that's for sure!

Yes, Erica, this is the cleansing pain of the American legal system!

- This slapping sound is the sound of justice.

- Now wait a minute, her screams have changed. These are... These are...

- These are moans of pleasure!

- What a complete failure for Mark. I tell you people: It is hard to believe that Erica was ever a real man.

- The images of Beat the Bastards are fetched from [Analsaga.com](http://Analsaga.com) and [Analpantyhose.com](http://Analpantyhose.com).
- They are both part of a great package of sites devoted to every fetish from lesbian kissing via pantyhose and anal to beautiful transexuals.
- It is highly recommended!
