# WARNING!

- This presentation contains sexually explicit material and is for adults only!
- This presentation depicts a sexual fantasy. In no way do I condone sexual violations in real life.
- The people depicted are actors or models. They are not connected to the fictional characters of this story in any way.

# Episode 5: Reverend Kurt Smith

# Beat the Bastards

- Welcome to Beat the Bastards, where we follow prisoners under the new US Emasculation Program. These male offenders have been changed into women, and are rented out to concerned citizens as part of their punishment.

- This is Reverend Kurt Smith, the famous preacher and founder of the Light of the New Revelation Church.
- He was found guilty of embezzlement and sentenced to 10 years in prison.

- Given his constant struggle against sin and sodomy, it was decided that the best punishment would be to turn him into one of the women he feared the most: sinful liberal feminist sluts.

- For Kristy, as Kurt is known now, every day is a struggle with sinful urges, and every day she can't help but give in to them.

- Although Kirsty know that it is the nanoviral therapy and the conditioning that has made her feel this way, the reverend believes in free will, and is sure she is condemned for all eternity.

- Here is Frank, who we hope will make her punishment complete.

- Will Kirsty be able to fight her deep desire for anal penetration by a man, the ultimate sin, sex change or not?

- Well, dear viewers. It seems her oral longings won the first round.

- It seems the struggle is over. She has invited Fred into her butt and has moved the dildo into her pussy.

- Yes, we have double penetration and the penal reform program has again proved its efficiency.

- I don't know what you think, dear viewers, but it seems to me that he has indeed been reduced to a sex hungry slut.

- I am sure there is a lesson about the fall of pride here somewhere.

- ...but I can't help noticing that she seems to be having a good time.

- The question remains: Would you like to swap places with her? See you next time!

- The images of Beat the Bastards are fetched from [Analsaga.com](http://Analsaga.com) and [Analpantyhose.com](http://Analpantyhose.com).
- They are both part of a great package of sites devoted to every fetish from lesbian kissing via pantyhose and anal to beautiful transsexuals.
- It is highly recommended!
