Episode 6: Phil Maine

- Welcome to another episode of Beat the Bastards, the show where we follow criminals that have undergone forced gender reassignment as part of the punishment.
- Today we will follow Phil Maine, or Silvia as she is called now. He was responsible for the infamous 2009 Macbank scandal, where 100000 Americans lost their savings.

- His 10 year long prison sentences was changed into forced gender reassignment and one year of compulsory social service. Here he is working as a cleaning assistant at the Federal Revenue Service.

- As our viewers will know, the nanoviral therapy and the subliminal conditioning makes it impossible for TS convicts to disobey their designated guardians, and Assistant Director Mark Spencer of the NRS is one of them.

- He has clearly noticed the female charms of Silvia. Too bad Silvia hasn't. It is only through force the program has managed to make her wear something feminine.

- What will happen now may seem harsh to some of our viewers. Note however that standing in a sofa like this with high heeled shoes is a public offense.

- Mark's attempts at stopping her are met with protests.

- “Listen, Silvia, you are no longer a powerful CEO. I am your boss here!”

- “I am afraid this means that you deserve a deflowering!”
- “No way, get off me you pig!”
- Dear viewers, this is getting ugly.

- This society is built on respect for our elders. Without obedience there will be anarchy. We know this. Silvia doesn't.

- “Listen, Silvia, you are a woman now. Give in to it. You know that you want it.”

- Silvia is fighting hard, but the conditioning is weakening her resolve. It is as if her muscles betray her.

- “Stop this immediately!”
- “By the power invested in me in Article 5 of the Reform Penal code, I hereby sentence you to the provision of sexual services.”

- “Stop this nonsense. I want you to suck my cock!”

- As you can see Silvia can't help kissing his cock, but she is putting up one hell of a fight.

- He is pulling down her pantyhose now.

- For Silvia this is a fight for her male identity. The conditioning works in such a way that a female orgasm will obliterate it.

- In accordance with chapter 4 of the TS Convict Treatment Manual he is going for her ass, the theory being that this humiliation most easily will undermine her resistance.

- She is one antisocial individual this one. She definitely deserves her punishment.

- Ladies and gentlemen, we have entry. Now there is only a matter of time before the struggle is over.

She is definitely one beautiful woman. All participants in the emasculation program are, in order to stimulate their male guardians.

- Did you notice the change in the pitch in her moaning and the vacant look in her eyes. That, dear viewers, is how the surrender looks.

- Now she is only minutes away from total feminization.

- Oh yes, she wants it now. She wants to be filled up completely.

- It never ceases to amaze me what modern science can achieve. This egoistical testosterone driven criminal is now becoming a peaceful, beautiful, complacent woman ready to serve mankind.

And here it comes: The orgasm that marks the end of one failed life and the beginning of a better one.

- Welcome to womanhood, Silvia!
