Episode 7: Burt Brane

Beat the Bastards

- Welcome to Beat the Bastards, where we follow prisoners under the Emasculation Program. These male offenders have been changed into women, and are rented out to concerned citizens as part of their punishment.

- This is Burt Bane. No, not the man on the left. Burt's the girl on the right.
- Burt Brane used to be a successful Maine contractor until he was sued for a leaky roof and got 10 year in prison.

- After one year as a butt-boy in a maximum security prison he found that he might as well accept transgender reassignment. It would not make much of a difference anyway.

He is now doing community service with the Wilson family as au pair for their 6 year old daughter Chloe. The man on the left is Chloe's bigger brother Mark. Yes, you may know him as the famous internet tycoon taking part in a previous episode.

- Mark is not Burt's -- or rather Brenda, as he is called now -- designated guardian. There is therefore no subliminal conditioning forcing Brenda to obey him.

- However, it seems that Brenda's many months of grief and trauma has made her soft for alcohol.

- She cannot cope with the fact that she has become a woman and a nanny, and continues to deny her female urges. She haven't had sex since the leader of the prison's Aryan League made Burt his love toy.

- “Listen, Brenda, I think you are very hot!”
- “Oh, Mark, stop that. I am a man, damn it! You don’t want to make out with me!”

- “You are not a man, Brenda. Look at your body! Dad says we are to encourage you to explore your newfound femininity!”

- “Newfound femininity my ass! I am the father of two kids, Mark. I used to be a male engineer! Look at me! I am a fucking babysitter!”
- “Not fucking it seems...”
- “Ah, screw you!”
- “I would love to!”

- “Oh Mark, stop that!”
- Well, dear viewer. It seems Mark is going to make an attempt. Will he make in spite of his lack of authority?

- The problem with intoxication is that it makes you lose control of your feelings. The nanoviral technology used of the transgender transformation is designed to turn the prisoners into libidinous women.

- So even if Brenda's male identity hates the idea of being fucked by a man, her female self longs to be filled up with cock.

- “Oh God, I need another drink. I feel so hot and strange...”

- “What the fuck are you doing back there?”
- “I love your tush, Brenda!”
- “You know, they force me to wear pantyhose. It is supposed to make me feel feminine or something.”

- “I don’t want to be a woman. I don’t want to be a woman. What are you doing Mark? Licking my asshole? Pervert!”

- “Do you want me to stop?”
- “Of course I want you to stop. But it is kind of interesting....”

- “I think you are the most sexy girl in the world, Brenda!”
- “I bet you say that to all the trans-cons!”

- It seems Brenda has had too much to drink. She is clearly getting sleepy.

- Mark has his dick out, folks and he has pulled down her pantyhose!

- “Mark, is that you inside me? What did I tell you about that?”

- “Oh woow, this actually feels kind of good.”

- “It feels so different when you are a woman. I like the way you fill me up. Move a little harder will you?”

- “No, no, no, don’t leave! Put it back in again!”
- Mark is now preparing for an essential part of the penalty reform program’s didactic methodology.

- He is going for the other entry point. Well, Brenda is surely in for a surprise now. This is punishment of the best kind!

- “Oh no, Mark! I had enough of this in prison.”
- “But I like it so much, Brenda!”

- “Oh, oh, ohmigawd!”
- Did you hear that, dear viewer? She is now talking like a girl, as well.

- “Oh yes, Mark, be my strong and protective man...”

- It seems the emasculation process is close to an end, people! She is, as you can see, urging him to penetrate her ass once more.

And she is now frantically rubbing her own clit. If she has an orgasm, the conditioning will make sure that her old male self dies.

- Aah, yes, there we go, ladies and gentlemen. The struggle is over. Brenda is now a real woman, ready to serve men and society.

- I believe we will have to buy her a new pantyhose, though! That's all for today. In our next episode we will take a look at a dirty journalist turned sex slave.
